Each prize draw will select one (1) winner and that winning ticket is selected from the draw drum at random. After each draw, the winner is recorded, and the ticket **will not** go back in the draw drum for the next draw.

In the instance where multiple tickets are inadvertently selected from the draw drum, and this is identified prior to the read in of the ticket number or name on the ticket, the Operators will halt the draw immediately, tickets will be returned to the drum and the draw procedure will be performed to determine one (1) winner.

In the event multiple tickets are inadvertently pulled from the draw drum, and this is not identified prior to the identifying and reading of the ticket number or name on the ticket, the ticket number or name read aloud, confirmed and recorded is deemed to be the first ticket pulled and therefore established as the valid winner.

A draw will only be deemed valid and complete upon final confirmation and recording by the draw Operators.

Prizes will be awarded to the individual(s) named on the ticket. In the event a winning ticket has more than one name on it, the prize will be awarded to only one of the individuals identified on the ticket. Neither the Rotary Club of Calgary

Heritage Park nor the Alberta Gaming, Liquor & Cannabis Commission (AGLC) are responsible for any disputes that may arise between the different individuals whose names appear on the ticket.

Prize notification will be made using any or all contact information provided on the ticket. i.e. telephone number, email address, mailing address.

Prize winner must accept prize as-is and cannot request any substitution or cash equivalent. Notwithstanding the foregoing, the licensee reserves, in its sole discretion, the right to substitute any prize for a similar prize of equivalent value or to an equivalent amount in cash.

Prize winners are asked to claim prizes in a timely manner following notification. Prize winners have six months from the date of the draw to claim their prize. In the event a winner has not claimed their prize after a 6 month period from the draw date, and after several attempts have been made to contact that winner, then with the approval of the AGLC, that prize will be returned to the Rotary Club of Calgary Heritage Park for charitable use.

The prize draw will be made as stated on January 3, 2020. An extension of the draw date or cancellation of raffle will only be requested from the AGLC in the unlikely event of a catastrophic event.

Winners consent to the use of their name and photograph by the licensee for publicity purposes.
