Old Navy

Old Navy recently hired at their new store in Lloydminster. This connection was made through a successful partnership established at Old Navy in Edmonton. Kelsey's role as a Sales Associate gives her the opportunity to work in the fitting rooms, put out new stock, and focus on customer service. She is excelling in her role and is currently being trained to work on checkout at the till. Jennifer Avelino, Assistant Manager Customer Operations shares "Kelsey is a quick learner and caught on quickly during her first day of training. On her first day, she was assigned to the fitting rooms, and she did a great job learning the role and responsibilities of maintaining the fitting rooms. Kelsey was also trained as a cashier and has done well, which is a great asset on busy days at the store."
