CALGARY POLICE

Al Black introduced Martin Cull, who would provide some insight into the workings of the police department. Martin is married with two children and sings with David McKeown. He has been in the police service for 25 years. The reason he became a policeman was to help out and provide safety to the people. He is there to assure the good folks can carry on without interference from the bad. The bad, or other side, is getting worse so it is important that we make the way safe for the good side. That way we can do what we do best.. Martin joined the Culture Resource Unit some 4 years ago. This unit takes care of ethnic groups where they try to understand their culture and

MEMBERSHIP MATTERS BY CRIS OFFER

Every Rotarian shares a responsibility for identifying and inviting prospective members to join Rotary. Rotary's future depends on the fulfillment of that responsibility. So we must all be salespersons, and like good salespersons must identify our prospects, communicate the benefits of our product—Rotary, then close the sale to everyone's satisfaction.

Rotary leaders must have the vision and conviction that a dream can be achieved. We need to dream lofty dreams for our Rotary clubs. Nothing great was ever achieved without enthusiasm. Enthusiasm translates directly into new members. Being a district or club membership chair is not a position - it is an activity.

Many times our best potential new member is right in front of us. I am talking about your financial advisor, optometrist, co-worker, supermarket manager. Yes, the people you see everyday are all potential Rotarians and we fail to see them as club members. So, be prepared to discuss Rotary with these friends. You will be surprised as these people tell you that they have been thinking about volunteering in the community and that they didn't even know your club meets in the neighbourhood every week.

Every Rotary club needs a consistent influx of new members if it is to maintain its current membership level.

In addition to providing willing hands for service and fundraising projects, new members bring new ideas, new outlooks and new enthusiasm to your club. A club that is satisfied with an ageing and declining membership will stagnate and die.

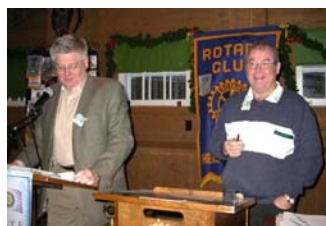

50/50 DRAW

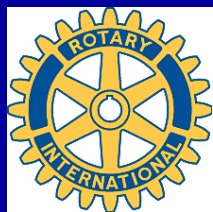

Betty Little was the lucky person to get drawn. She did a great job on the 4 way test but failed to find the joker.

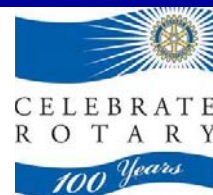

SUNSHINE

The sunshine report was presented by Doug Hood. Ernie Drew celebrated a birthday on November 8 and Ray Gosselin celebrates his anniversary on November 13.

THE ROTARY FOUNDATION

The Foundation was created in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary "to do good in the world." It has grown from an initial contribution of US\$26.50 to more than US\$55 million contributed in 2002-03. Its event-filled history is a story of Rotarians learning the value of service to humanity.

The mission of The Rotary Foundation is to support the efforts of Rotary International in the fulfillment of the Object of Rotary, Rotary's mission, and the achievement of world understanding and peace through local, national, and international humanitarian, educational, and cultural programs.

The Rotary Foundation is a not-for-profit corporation that supports the efforts of Rotary International to achieve world understanding and peace through international humanitarian, educational, and cultural exchange programs. It is supported solely by voluntary contributions from Rotarians and friends of the Foundation who share its vision of a better world.

The Foundation's Humanitarian Programs fund international Rotary club and district projects to improve the quality of life, providing health care, clean water, food, education, and other essential needs primarily in the developing world. One of the major Humanitarian Programs is PolioPlus, which seeks to eradicate the polio virus worldwide. Through its Educational Programs, the Foundation provides funding for some 1,200 students to study abroad each year. Grants are also awarded to university teachers to teach in developing countries and for exchanges of business and professional people. Former participants in the Foundation's programs have the opportunity to continue their affiliation with Rotary as Foundation Alumni.
