FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

CELEBRATE ROTARY

MEETING HIGHLIGHTS

President Al Hardstaff started the meeting off shortly after 7.00 AM.

Why was Al late?

David McKeown did his usual fine job of leading the members in the singing of "O'Canada". Joan Bedard gave a heartwarming version of grace. It was then Jamie Powell's turn to take the podium and introduce the visiting Rotarians and guests:

Calgary Club—Bob Junker and Keith Brooke; Calgary South—Jim Fitzowich and Hans Tiedemann; Bombay Hills South Club—Dilip Vora.

Guests: Don Roang, guest of Asha Paul and Jim Murphy, guest of Bob Cove.

President Al then asked Peter Harding, just

back from an extended holiday, to handle the plates for breakfast.

Happy Bucks:

There was a number of Happy Bucks for those participating in Guess who's coming to Dinner. Peter Harding had \$20 Happy Bucks because he is happy to be back from his holiday and it represents \$1 for each golf ball he lost. The happy bucks were flowing freely.

Sheriff:

Walter Zuk was the sheriff of the day and what a sheriff he was. It was a fun but expensive event for everyone. Not only did he fine people relative to events of the day, but he extended it to gender and nationality issues. He was very successful in raising money for the club.

CLASSIFICATION TALK—JAMIE POWELL

Din Peerani introduced Jamie Powell, the newest member of our club, who was giving his classification talk. He started out by informing everyone that there would be some skill testing questions at the end of his presentation, so pay attention. Wrong answers to the questions will draw a

\$1 fine and for right answers he will throw in a \$1. Jamie is a true Calgarian as he was born here and educated here. He received a Marketing degree from SAIT and worked for RBFG for three years and is now working for Investors Group. He was

married to Natalie in 2001 and they are now the proud parents of Olivia who was born January 21, 2005. Jamie's hobbies include participating in triathlon's, mountain biking, camping, and snowboarding. As a financial manager, his work involves the management of investments to achieve your financial goals, assure the proper income tax treatments of your investments, to see that you have proper personal directives and power of attorney in place, see that your beneficiaries are familiar with your wishes and know where to go for assistance if they need it. He provides a full service as a financial planner. It was a great presentation and was thanked by Joan Bedard.

AL'S ANNOUNCEMENTS

President Al reminded the members of the "Feed the Hungry" program at Victory Church, on Sunday at 4.30PM.

The District Convention will be held in Banff from May 20 to the 22nd. De Prez asked everyone to bring pictures to our next meeting so that a poster can be made for display at the convention.

No meeting next Friday as the Park is closed for Good Friday. Our next meeting will be on April 1 and only The Lord knows what that might bring.

"Rotary Challenger Park" is to be renamed "Calgary Rotary Challenger Park Society."

April 20, 2005 is Operation Eyesight's Annual General Meeting at the Village Park Inn.

Our Golf Tournament is going to be held on June 9, 2005.

NORTHERN LIGHTS BREAKFAST

The Northern Lights Breakfast will be held on Saturday, June 18, 2005 at the RI Convention in Chicago. This is the annual opportunity for Rotarians from across Zone 22 to get together for fellowship, to meet old friends and make new friends.

This year the Northern Lights Breakfast will be held at the Chicago Athletic Association, 12 Michigan Ave., Chicago at 7:00 AM. The Athletic Association is home to the Rotary Club of Chicago —Club No. 1.

The Rotary Centennial parade will start at 10:00 AM after the breakfast and only a short distance from the venue.

There are no tickets at the door. Tickets are available from all Zone 22 DGEs.

President Al invited guest Bob Junker to speak to the club about a book that deals with the history of Rotary in Zone 22. The book is called

"Under The Northern Lights"

as zone 22 covers the northern section of the world. There are 23 districts in Zone 22 and each district sent in articles for the book. The publication of the book has gone on for the past two and a half years. The book is divided into three sections. The first section gives a general history of Rotary in Zone 22. The second section gives the stories of each district and the third section is appendices which lists the past governors and other information. Bob had brought 8 books which he was selling for \$30.00 each. Al Hardstaff thanked Bob for his presentation.

SUNSHINE

As Jim Hennessy was not here, the sunshine report was nonexistent today. It will be caught up at the next meeting on April 1.

50/50 DRAW

Brian Morrison handled the draw today. The first ticket drawn was not claimed but Alex held the second ticket drawn. After giving a perfect rendition of the four way test, he drew the ten of diamonds much to the delight of the rest of us.

HISTORY OF ROTARY

Rotary began on the evening of 23 February 1905, when Harris met with three business colleagues in hopes of recapturing in a professional club the same friendly spirit they had experienced growing up in small-town America. They called their club the Rotary Club of Chicago, after the early practice of rotating weekly meetings among members' offices. As the Rotary movement grew and clubs were chartered around the world, Rotarians took up community service projects and promoted ethical standards in business.

A century later, over 1.2 million men and women are members of more than 31,000 Rotary clubs in 166 countries united under the banner *Service Above Self*. Through the numerous humanitarian, intercultural, and educational programs of Rotary International and The Rotary Foundation, Rotary clubs work to realize Rotary's vision of improving the human condition and to advance world understanding and peace.

One of the world's largest and most successful volunteer service organizations, Rotary is now working toward meeting its greatest challenge: eradicating polio worldwide. During this centennial year, Rotary's top priority is stopping the spread of the disease in the world's six remaining polio-endemic countries.

"Eradicating polio will be Rotary's great legacy to the children of the world," says RI President Estess.
