Rotary Meeting Aug 4, 2006

Another full house at the Gunn Dairy Barn as President Wynne got things settled down after only a half dozen bashes on the bell. Garry Gray out did him self in leading the National Anthem, brought tears to our eyes.

Garry Gray out did himself in leading the National Anthem

Great news was Joan was back looking after us but alas she will be taking

some time off to have knee surgery in a month or so. Good to see you Joan.

On a sadder note, Dwayne Wilson will be leaving the club, his absence will be sadly missed. If we had an event, program meeting, or breakfast you could always count on Dwayne not to be there. Dwayne, where ever

you are, we'll always keep a chair empty in recognition of your steadfast non attendance.

Guest Speaker: Beverley Bailey

Beverley L. Bailey is working at Heritage Park for the summer as a lead-hand interpreter and is a visiting student to the University of Calgary for 2005 - 06. Beverley is working on a Bachelor of Education and Bachelor of Fine Arts with majors in Studio Art, Drama, and Human Ecology with an emphasis on special needs, counseling and English second language and Canadian cultural development. That sounds like a lot of work to me. She will be traveling to Prague for 4 months to attend the British International School of Prague teaching studio art. She will also be making presentations to various Rotary Clubs as she is an outgoing Am-

bassadorial Scholar and as such she will be attending the Elam School of Art at the University of Auckland in New Zealand. As the Ambassadorial Scholar she will be representing The Canadian Prairie Provinces and northern Ontario for Rotary International

Beverley has a special interest in art and drama therapy through the avenue of Fine Arts for addressing social issues. She is engaged in researching and gaining a first hand understanding of the correlation between Canadian First Nations education and the education system of the Maori and South Pacific peoples.

The presentation was excellent and we wish Beverley all the best on her adventures and pursuits for the betterment of us all.

Alex MacDougall reminded us of the upcoming golf tournament

Minute people

Garry Gray is proposing our club change our by laws so we are not restricted to a full audit of our financial statements each year and instead could use the review method and save the club a chunk of change. . Garry is working with Bob Clark to prepare the required changes to our by laws. A proposal will come to the club in due course.

Joan and Jeanette are hard at work on the Annual Wine Festival. This is always a great time and a good fund raiser for the club. Joan was a little confused on the date, even though she appeared sober, which is in fact Thursday Sept 28, 2006.

Silent Auction items are needed and a donation letter is being placed on our web site for you to sue to solicited these.

They will also need volunteers for the various jobs during the event.

Bring any auction items to the Friday meetings.

Garry Gray had a long list of people that still owed various moneys for the Golf Tournament and it turned out that Alex MacDougall knew most of them. I think the funds should arrive shortly since I wouldn't want Alex on my case.

Al Hardstaff is gambling that you'll volunteer for our casino this year on either or both of Tuesday Oct 10 or Wednesday Oct 11. All sorts of positions to choose from but do it soon before all the good ones are gone.

Al Black will have shirts available over the next couple of weeks for you to look at and decide what color or style you would like to own with the Heritage Park Rotary Club logo on it. No wardrobe can be considered complete with out at least one.

Asha Paul reminded us that the Murder Mystery is fast approaching and we have 70 people attending so far but would be nice if we had the full 100 attendees. There was concern that with out being sold out there wouldn't be a murder but only a major medical emergency. Asha assures us someone will die and she should know, after all she is a doctor.

Alex MacDougall reminded us of the upcoming golf tournament in support of Rotary Challenger Park. Wynne sent out all the pertinent information in a separate email. If you don't have it and want to register as a player of a whole team check with Alex.

Important Motion Passed

It was moved and passed unanimously less one, that effective immediately guests would be charged \$15.00 for attending our meetings and enjoying the fabulous breakfast at Heritage Park.

Wynne wrapped up the meeting with a message of importance.

As Rotarians we are ambassadors of good will and friendship.

This also begins at our home club. Wynne encourages us all to roll out the red carpet and really celebrate the guests that come to our meetings. Our reputation as the best club will get spread world wide and those guests will become members.

SUNSHINE REPORT

Sunshine report

Doug Hood was pleased to announce there were no Birthdays or Anniversaries.

Walter Zuk was also pleased since it was his birthday Aug 7th but he felt if it was not recognized it wouldn't happen. Dorian Gray kind of thinking.

Doug reprieved himself and told us a joke about a politician and a jackass.

There's a difference?

Happy Bucks

Happy Bucks

Not too many happy people today.

Jeanette was happy the park is into the construction of the new Heritage Park phases. Exciting things are going to be happening.

Wynne is happy her daughter is in town visiting. I am guessing she is visiting Wynne.

Alex is a grandfather - again. And so young too!?

Sheriff Bob Clark: You're BUSTED!

Sheriff

Bob Clarke decided we all should be in pictures and using the entertainment section of the paper managed to find numerous movie characters and situations to extract loonies from most those in attendance. Your reported found it difficult to capture all of the action since he was dipping in to his pocket for everything from being well dressed to being a pirate. Great job Bob.

50/50 JACK POT

50/50

Our ticket draw winner was Chris Minke from Calgary South who clicked his way through the 4 Way Test and went home the happy winner of the 7 of Clubs.

The pot is getting in to serious money now.

About the event

The Wild West is the setting for the 98th annual RI Convention, slated for 17-20 June 2007. But you won't find anything rough or unsophisticated about Salt Lake City. Utah's state capital boasts all the amenities of a big city — world-class accommodations, entertainment, dining, and culture — as well as the family atmosphere and safety of a small town. And like Rotary itself, Salt Lake City offers a welcoming environment with more than 80 languages spoken by its citizens.

Known as the Crossroads of the West, this cosmopolitan U.S. city makes an ideal base camp for visiting the many natural attractions and historic sites nearby. Stay in the city and visit the Olympic Legacy Plaza, historic Temple Square, or the Family History Library. Or take to the road and tour one of 15 scenic national parks, including Yellowstone, Grand Teton, and Arches, and historic monuments within a day's drive of Salt Lake City.

Why not make this year's convention a family affair and plan a vacation before or after the meeting? It's a unique chance to involve your family in the international family of Rotary. In addition to the city's many family-friendly venues, including the Children's Museum of Utah, Clark Planetarium, and Utah's Hogle Zoo, the Salt Lake City convention offers a variety of activities and events sure to please everyone.

While in Salt Lake City, here are just a few of the activities that you won't want to miss:
