1. Is it the TRUTH ?

Rotary Museum

Wynne was our guest speaker for today, no intro-
duction necessary. For the last meeting of this
year, the club was going to get a tour of the new
Rotary Museum located in Heritage Park. Before
we were to mosey on over, Wynne took this oppor-
tunity to thank all the Service Directors and her
numerous advisors. Wynne also announced the
incoming Board of Directors.

Gary and Wynne provide each club members with a clean plate. This was Gary's last meeting and Wynne's last meeting as a President.

Gary Brown provided each club members with a clean polished plate because it was his last meeting with our club due to upcoming relocation to Kingston, Ontario. Each member was presented with chocolates by Bernard Callebaut from Wynne as a small token of her appreciation in completing her term as president and in becoming the latest Past President or PP as they like to refer themselves as.

The last few members in the buffet line were treated to some lovely short lived pyrotechnics. Trying to fill her plate with fruit, Wynne set the box of remaining chocolates down beside a chaffing dish and the box was set on fire, giving a new meaning to 'hot chocolate'.

Minute People

Al Hardstaff reminded everyone about the upcoming Harry Hay's Breakfast

- Wynne – Presented the motion, which was emailed to every club member earlier this week, making District 5360 'not for profit'. Motion was second by Norm Haines. Betty Little asked why July 11, 2007? Wynne explained that the motion had to be passed within 45 days after the District Conference. Club voted – motion carried.
- Wynne – Every club is allowed to provide a small parting gift when members leave. Gary Brown, the club is providing you with yours and your wife's name tags.
- Wynne – Apologized to Marion Barrett for failing to mention her as Director of Vocational Services at the District Conference.
- Al Hardstaff – The Harry Hays breakfast on July 08, sign-up sheet is being circulated.
- Jamie Powell – District Conference and the Rotary Museum opening can be used for make-up meetings, a sheet will be circulated for those who have attended.

Wynne – This is a reminder that there will be no meetings for the next two weeks, due to the Golf Tournament and the Stampede Parade.

Paul Harris

Graham Drake and Betty Little were presented with their Paul Harris award this morning. Congratulations to you both on becoming members of this distinguish club.

Thought of the week:

Remember we all stumble, that's why it is comforting to walk hand – in – hand.

SUNSHINE REPORT

Sunshine Report

Dr. Jim Hennessy provided the club with a Public Service Announcement:

"In a number of carefully controlled trials, scientists have demonstrated that if we drink 1 litre of water each day, at the end of the year we would have absorbed more than 1 kilo of Escherichia coli (E. Coli) bacteria found in feces. In

other words, we are consuming 1 kilo of poop. However, we do not run that risk when drinking wine, rum, whiskey, beer or other liquor because alcohol has to go through a purification process of boiling, filtering and/or fermenting.

Remember water = poop where as wine = health.

Therefore, it's better to drink wine and talk stupid, than to drink water and be full of shit.

There's no need to thank me for this valuable information; I'm doing this as a public service."

Also the following members were celebrating birthdays or anniversaries:

- Helen Buchanan – Wedding Anniversary
- Max Patel – Wedding Anniversary

Surinder Khanna – Birthday. Surinder you're looking good for 39.

Coverage of the 2007 RI Convention

Site change for the 2009 RI Convention

Rotary International News

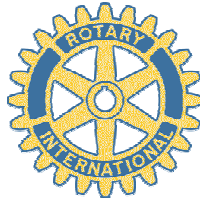

20 June 2007

Salt Lake City – The Rotary International Board of Directors has changed the tentative site of the 2009 RI Convention from Seoul to Birmingham, England. The event was provisionally scheduled in Seoul for 21-24 June 2009.

The change was necessary because some segments of the planning for the convention were behind schedule. These delays and other associated issues hindered the ability of local Rotary clubs to organize and host such a large-scale, international meeting.

Rotary International's annual convention is a worldwide gathering of Rotary members who participate in a broad agenda of plenary sessions and workshops focused on how Rotary clubs help to make the world a better place through volunteer service.

The decision was taken at the conclusion of the 2007 Rotary convention in Salt Lake City, USA, attended by nearly 17,000 Rotary members.
