FOUR WAY TEST

In all things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIP**?
4. Will it be **BENEFICIAL** to all concerned?

President Asha Paul called us to order precisely at 7:00 a.m. Peter Harding led the singing of the Canadian national anthem with David

McKeown accompanying and the not quite ready for the morning back up choir. Val Redner presented grace. Jeanette Pyle was rewarded for her museum project report and led the guests and visiting Rotarians to a buffet fit for a District Governor.

Announcements:

Asha advised why the Pope should always ask for the bad news first.

Minute People:

Jacquie Brown passed the envelope for the October 24th trip to Mexico to present scholarships. A bucket will be passed next week to collect the change, which has collected in Rotarian's pockets during the week.

Doug Kinley used the standard Brangelina marketing ploy, but are you willing to risk missing this celebrity couple or our annual Wine Festival? 400 tickets have been circulated for only 220 seats. Do the math and buy your tickets now. Prompt payment to Doug ensures your attendance.

"Rotary Shares" pins for all in attendance to share.

Rotary President Wilf Wilkinson has continued the emphasis on water, health, hunger, literacy and the family of Rotary. Bernie views the goals of a club president and district governor to move clubs a few steps each year towards these larger goals. year is short. Removing start up periods and statutory holidays results in 39 weeks per year.

Bernie stressed quality versus quantity of new members as well as remaining vibrant and inclusive to ensure current member retention. We must all get our "ask in gear".

Bernie spoke about minds (learning), hearts (passion) and pocketbooks (foundation giving). There are numerous stories of how both grand and small gestures of giving are acknowledged. \$100 every year goes into a fund that is well invested, well managed and administered at low cost. Our district was second in the world last year in giving to the Rotary Foundation.

Rotary has vaccinated 2 billion children out of the total world population of 6.2 billion. 1 million new children are born in India every 2 months. 1 billion people in the world live on \$1 per day. Rotary wants to take those people to at least \$2 per day.

David McKeown thanked District Governor Carriere for presenting a broader picture of Rotary and its influence. \$200 was donated to the Rotary Foundation in the District Governor's honor.
