FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP
4. Will it be BENEFICIAL to all concerned?

Meeting Highlights

President Elect Martin Harvey politely asked for order at 7:00 a.m. Joan Bedard led the singing of the Canadian national anthem. Raju Paul presented Rotary grace. Lone guest Hans Tiedemann was first in line at the buffet, where he remained until all plates were polished and passed.

Guest Speaker: Jeanette and Graham

Jeanette Pyle updated us on Heritage Park construction slated for completion December 2008. Jeanette promoted the unique vehicle collection provided by Ron Carrey of rare and one of a kind industrial trucks. There will be hand on exhibits and pedal cars for children to obtain their license.

Three restaurants will be open year round with banquet seating for 400 and capacity for 1,200 standing. For more intimate gatherings the CPR Café has room for 50. The Founders Hall has privileged access for 60 patrons. To Peter Harding's relief Jeanette confirmed that the establishments will be licensed.

Topographical changes will abound when the hill comes down after Thanksgiving. This will result in the relocation of the Canmore Opera House and demolition of the current security buildings. Through a new entrance patrons

will walk backwards in time. The streetcar will run again along 14th Street to the new development and eventually to the Midnapore Train Station.

Graham Drake reported on his attendance with Holly at the charter evening of the Eau Claire Rotary Club. This club has a unique composition of 70% exotic women under the age of 40, not yet fluent in English. (In a related story Bob Clark wishes to thank Heritage Park club members for their fellowship and request transfer to the Eau Claire club).

The new club was sponsored by Chinook. Brown bag lunch meetings will be held on Tuesdays. The club president and secretary are both teachers, who are assisting members to learn English.

Graham was impressed by the members in attendance that have moved to a new country, are learning a new language and culture and still have the energy to be of service.

SUNSHINE REPORT

Sunshine Report

Jim Hennessy shared the cautionary Parable of the Monkeys aka How I Lost My Shirt With Dot Coms. A shudder befell those in attendance who had banked on primates to finance their retirement, reducing them to reliance upon that old Canadian retirement standby "The Lottery Win".

Happy Bucks

Happy Bucks

John Radermacher had happy dollars for a trip to Kalispell and return via Chateau Kim in Fernie.

Bill Hope had a dollar happy that John was still around.

Bob Sadler had happy dollars for his upcoming vacation.

Walter Zuk had a happy \$1 that Jess' new fire-arm purchase was battery operated.

Martin Harvey had a happy \$1 that his mother-in-law was safely home after an extended stay.

Sheriff Brian Humphries: You're BUSTED!

Sheriff Brian Humphries stepped up with his valise to end the monkey business (or perhaps I have that backwards). Individual fines were levied upon:

The three people who arrived late.

Jim Hennessy for upsetting Jeanette.

Joan Bedard because she was not the sheriff.

Then Brian established himself as king of the jungle fining herds of Rotarians including those wearing matching socks and then to the dismay of a few wiseguy Rotarians, those without socks.

Finally figuratively beating his chest and taking a page from Alex Trebek, Brian conducted television trivia Jeopardy tm. Our club's coffers were the big winner.

50/50 JACK POT

With Jim Davis presiding and the equivalent value of 13 monkeys (based upon the NASDAQ closing price on July 31, 2008) in the pot, Ray Gosselin's ticket was selected. Ray provided to be king (spades) of the four way test, but a joker when selecting the appropriate card from the deck. With the pot building and the market price of monkeys plummeting, next week's pot could be enormous.

Intrigue surrounds a set of mysterious blueprints in this episode of Rotary's radio drama. These secret blueprints could help put an end to hate and warfare – if evil spies don't steal them first.
