FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP
4. Will it be BENEFICIAL to all concerned?

Meeting Highlights

President David McKeown in to his second week of command and David astutely chose Raju Paul to lead the national anthem. No doubt because David was aware that Raju had attended at the Stampeder football game the night before so was well rehearsed for the part.

David then went so far as to accuse Din of imitating Don Cherry as he was dressed in a pink shirt with a matching pink and white striped sports coat. Personally I don't think Don could carry it off as well as Din. In any event, for his

flamboyant fashion statement Din won the honor of Breakfast Greeter and Plate Polisher.

When the meeting recommenced David along with Vanna, I mean Bob Clark, inducted our newest member, Laurie Jacques. Laurie has the classification of Funeral Director- Management and he is transferring in from the Downtown Club. Welcome Laurie!!

We also have two more new members in the wings; Mark Rowe, a civil engineer with the City of Calgary and

Guest Speaker: Norm and Bob

Guest Speaker(s) – Norm Haines and Bob Sadler

I am always amazed at the wealth of diverse knowledge and entertainment that we find within our own membership. That goes in Spades for our club (or Diamonds if you are Ray Gosselin) as I was enthralled by the presentation Norm Haines gave on the history of railroads in our country and how they contributed to opening up and settling this great nation. Bob Sadler then stepped up and spoke of how he became interested in railroads in England and how this passion lead to his friendship with Norm and their dedication to protecting a little of this history in miniature through the model railroads they build and the club that they belong to. A fascinating presentation by two members with a real fascination for the history of railroads in Canada and the hobby of model railroading. Thank you gentlemen.

Meeting Highlights

...continued from page 1

Martin Harvey will be filling in for President David for the next 2 meetings

Doris Kutrowski, a financial advisor transferring in from the Olympic Club.

David sadly announced we lost three members.

Roy Krake who finds his heavy retirement schedule takes him out of county too much to commit to Rotary at this time.

Val Reddner who is doing time in Kingston, Ontario with the Salvation Army and no hope for Val getting out early since being on good behavior is what got him there in the first place.

Barry Jarvis who is moving to Grand Forks, BC the home of great Russian food, golf courses and marijuana. (or so I've heard)

President David is taking a couple of weeks off to recoup from the past two weeks of his presidency and President Elect "Martin Harvey" will be thrown to the hounds, I mean will be chairing the meetings for the next two weeks.

President David wrapped up the meeting with his thought for the week which I could not quite make out but sounded like "So long suckers, I'm outta here!" or it may have been a quote by Albert Schweitzer who said "Those of you who will find true happiness are those who seek out and find how to serve mankind".

Have a great week in Rotary

RI President Dong Kurn Lee

Dong Kurn Lee is chair of Bubang Co. Ltd. and Bubang Techron Co. Ltd., manufacturing companies based in Seoul. A graduate of Yonsei University, D.K. serves as a trustee of the Busan College of Information Technology and is a past president of both his high school and college alumni associations. He has served as a trustee of the Bank of Seoul and honorary consul of Italy in Korea.

He joined the Rotary Club of Seoul Hangang in 1971 and has served RI as director, treasurer, trustee, district governor, and International Assembly training leader. He also has been a regional Rotary Foundation coordinator and zone and regional coordinator for membership development. He is chair of the Polio Eradication Private Sector Initiative in Korea and serves as Korea's PolioPlus national advocacy adviser. He is a recipient of the Foundation's Citation for Meritorious Service and Distinguished Service Award. In 1996, as district governor, D.K. was recognized at the RI Convention as the winner of the Calgary Challenge, which recognized the district with the most successful membership development efforts, chartering 32 new clubs and adding nearly 1,800 new members.

He lives in Seoul, Korea, with his wife, Young. They have four children and five grandchildren.

SUNSHINE REPORT

Sunshine Report

Norm Haines was our sunshine boy today.

Norm congratulated Jim and Josie on 42 years of marriage but neglected to recognize that he and Linda were also celebrating 46 years together.

Norm had some great short jokes including the lady who was examining the frozen turkeys at the supermarket and asked the clerk "Do these turkeys get any bigger?"

To which the clerk replied "No madam, they are dead."

Or the blonde that stopped at the post office to buy stamps for her Christmas cards.

When the clerk asked "What denominations?" she replied "I can believe it has come to this". "OK give me 10 Presbyterian, 15 Catholic, 3 Jewish"

And finally – A lady standing in front of a mirror exclaims "Oh, I am old, fat and ugly." Her husband says "Look on the bright side, your eye sight is perfect."

Happy Bucks

Happy Bucks

Happy Bucks –

Betty was happy she was going to Edmonton to commemorate the garden they had planned to celebrate the life of her late sister who passed away 2 years ago.

Betty was also celebrating her granddaughters 2nd birthday.

Bob Clark celebrated the Stampeder's win over Hamilton

Wynn is happy she has moved in to a warehouse. Doug threw in a happy buck for Dale who is probably ecstatic himself.

Joan was pleased at our warm welcome when she came in late.

Bill is happy to have been camping but sad that he has had to wear a tie for the last two days.

Laurie Jacques is really happy to be a member of our club and put out a plea for volunteers for the International Bus Drivers Rodeo this weekend. If you are reading this and thinking you would like to volunteer, too late, you missed the bus.

Sheriff John Radermacher: You're BUSTED!

Sheriff – John Radermacher

Always casual as he smiles and lightens your pocket.

John picked on Din for posing as an ice cream man, Laurie for being too eager and asking for help 10 minutes after becoming a member, Norm Haines for sounding like a cross between John Wayne and Pee Wee Herman, don't think the Duke would be happy about that one either, Bob Clark for no reason, Peter Harding for not bringing in the Budweiser girls, Jim Hennessy for working at the Bowden prison so he could cut back on anesthetic, and anyone sitting at the table with the two Prices, obviously the Price ain't right.

50/50 JACK POT

50/50 – Walter Zuk had a guest draw the ticket held by Ray Gosslin. Then Walter did the old double shuffles and although Diamonds may be a girls best friend, the 6 of diamonds was no friend of Ray's and the pot continues to grow. Now over \$600. or so I have heard.

Rotary Networking

Global Networking Groups allow individual Rotarians from several countries to join together to focus on common interests. Through these groups, you can

- Share fellowship and friendship with thousands of Rotarians
- Meet other Rotarians with a similar hobby or vocational background
- Collaborate with Rotarians from around the world who are dedicated to a particular area of service

There are two types of Global Networking Groups: Rotary Fellowships and Rotarian Action Groups.

Rotary Fellowships

Rotary Fellowships offer Rotarians the opportunity to make friends with others in Rotary who share a common vocation, hobby, or recreational interest. Read more about Rotary Fellowships in the [Rotary Fellowships Handbook](#) (PDF).

[View complete list of Rotary Fellowships.](#)

Rotarian Action Groups

Rotarian Action Groups conduct international service projects that further the Object of Rotary. If you're interested in supporting a particular type of service activity, there may be a Rotarian Action Group for you. Learn more about [Rotary's service opportunities](#).
