FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Meeting Highlights

The Gunn Barn resonated with the reverberating voices of Peter Harding and David McKeown who belted out the National Anthem like Pavarotti and Carreras.

Jamie Powell gave the invocation and 'Hungry Harvey' asked Bryan Humphreys to clean the plates. Granted we were anemic on guests this morning, but don't the few present warrant a welcome? Thank goodness for Al Hardstaff who stepped up to the plate and introduced them.

Greeter
Laurie

Okey dokey, so today was not one of Martin's best days. He attempted a joke but forgot the punch line, then in a revealing moment it came back to him. All's well the ends well is what I say!

AFGHAN SCHOOL PROJECT

Martin announced the progress of the Afghan School project and displayed a brochure that is to be distributed to all Rotarians and all Canadians, with RCCHP being up front and centre on the project. He recognized Raju's efforts.

STEVE SMITH

This young man grew up in New Brunswick and lived there for 17 yrs before going as a Rotary exchange student to Australia in 2000. He attended Mt Allison University and graduated in economics and environmental sciences. He worked in a corporate law office and now is the VP of operations in the CBI group. He has played every sport known to man and has been with his girlfriend for the past 9 years.

He is happy to be in Rotary.

LINDA CAMPBELL

Linda was born on Friday the 13th to a catholic family in Dauphin, Manitoba. She is one of six children. Her father worked hard as a sheet-metal worker and plumber and her mother worked at home. After her parents divorced, her mother went back to school and obtained a nursing degree.

Linda started working for a telephone company soon after graduation. She met her husband, the coach of the company's broomball team. Don't know how good Linda was at broomball, but she certainly caught the eye of the coach. She started working for TD bank in 1986. She

THE PODIUM DASH

Bob Clark passed around a sign up sheet for the President's Social. If you have anything good to say about the President keep it to yourself, if not Bob would like to hear from you.

Not to be outdone, an adequately clothed Laurie Jacques passed around a sign up sheet for the Agape Hospice meeting next week.

Doris and her team have done a stellar job on the Golf Tourney. She still has a few spots for latecomers.

Peter Harding reminded everyone of the Family Fun Day at the Gray's on May 15.

Zuzanna had the Police Check forms available for all parolees. If you fail to appear before the officer on May 14th, you will be sentenced to the minimum-security facility at Operation Eyesight.

Zuzanna also put in a plug for the Monte Carlo meets the Pubbers at the Haysboro Community Centre on May 11.

The school gets more complete every week. See page 5 for more.

ROTARIAN OF THE MONTH

Sir Norman dawdled on to the podium and after a loquacious speech announced Peter Harding as the Rotarian of the month for May. Kudos Peter!!

is now the Bank Manager. She has two children Scott (22) in U of A who is good in sports; and Sarah who is like any 14 yr old. Linda has been married to Tony for the past 25 yrs and they live in Okotoks.

MICHAEL BRIGHT

Mike is a volunteer. What he means by that is he does whatever his wife asks him to do. (All you gentlemen could take a lesson from Mike). He retired from his job as the executive vice president of United Safety, the second largest safety company in the world. He now looks after a wealthy man's money.

He has been married to Ann for the past 45 years and they have 4 children and seven grand children.

He sings in a Barbershop quartet and has done so for the past 25 yrs.

They travel a lot and like camping and cruising.

He is a true Brit, born on St. Patrick's Day, in England, of an English father and Scottish mother.

De Prez then adjourned the meeting without so much as a thought for the day.

SUNSHINE REPORT

John R announced two anniversaries this week. Wynne and Dale Bjorgan and Graham and Holly Drake. Congratulations to you all. He topped it off with a groaner about an "ham-bush".

It was not clear from the accent if Pepe was Mexican or French Canadian. However, the groan was definitely western.

Happy Bucks

Rob B was happy he won the wine at the WPW&S event on Friday.

David McK was happy to copy that on Saturday. His son is enjoying the wine.

Peter H is happy to get the prime parking spot.

Mark Rowe put in a twoonie for the presence of his sons.

Bob C commented on Rob's jersey, but said he was rooting for Vancouver.

How many ways can you skin a chicken? Contact Martin Harvey.

Sheriff: David McKeown

David McK walked up to the podium again, this time in the guise of a Sheriff.

Jamie Powell got docked for his trilogy

"A wannabe Din; a wannabe Harry and a wannabe Martin".

Laurie Jacques for a wannabe Adonis at the WPW&S event on Saturday

Martin for imbibing all the booze at the above event and denying Liz that opportunity.

He ended by fining anyone who did not attend either of the weekend events, anyone not attending the Picnic; anyone not signed up for the Hays Breakfast and anyone who left early.

Knock me down with a feather!! The six-pack abs that Laurie was sporting at the event on Saturday was not his but belonged to Joe Klassen. David sanitized his hands after handling the apron.

Our steady morning crew

50/50 JACK POT

Bryan Humphreys was on double duty today. That's what happens when you miss a few meetings! David McKeown's brief tryst with Lady Luck was short lived when he failed to pull the joker.

Rotary International

Fifth Avenue of Service.

Representatives at the 2010 Council on Legislation approved an enactment 28 April to add a fifth Avenue of Service: New Generations.

After adopting an amendment to change the name from Youth Service, as originally proposed, to New Generations, the Council narrowly supported the addition to article 5 of the Standard Rotary Club Constitution. The 263-250 vote was received by surprised gasps and applause after a short debate.

New Generations joins Club Service, Vocational Service, Community Service, and International Service as the foundation of club activity. Before starting a project, Rotarians are asked to think broadly about how their club and its members could contribute within each avenue.

"It's a significant change – a historic day in Rotary," said Council Chair Mark Daniel Maloney. "Rotarians have always strongly supported youth activities even though they were never part of the four Avenues of Service. I think this strengthens our commitment."

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

Representative Ronald P. Sekkel, of District 5170 (California, USA), proposed the enactment by saying that New Generations is the future of Rotary. Opponents argued that youth services are already covered by the four Avenues of Service. One representative said that adding a fifth avenue could decrease emphasis on the other four avenues. Representative Emile M. Rijcken, of District 1900 (Germany), said the new avenue is well deserved.

"The volume of activity in youth programs shows how strong Rotary can be," she said. "The addition of New Generations to the Avenues of Service will contribute in an enormous way toward public opinion."

A representative makes a point on a resolution during the opening day of the Council 26 April. On Wednesday, the Council approved adding a fifth Avenue of Service. *Rotary Images/Monika Lozinska-Lee*
