FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

In the beginning:

President Sheila was early to the meeting but a little late starting the meeting. The meeting was called to order and the guests were introduced, with only a single member from the South club present. Ted was asked to wipe plates which he did with enthusiasm.

Members of the club were in fine form with lively discussion coming from all the tables. The usual good breakfast satiated the appetite for food and attention turned to the guest speaker District Governor Garth Toombs introduced by Al Hardstaff.

Guest Speaker: District Governor Garth Toombs

The District Governor started off his presentation by “ *It is better to light one candle than to sit and curse the darkness*” a Confucius proverb. The District Governor went on to explain the current make up of Rotary with 34282 clubs worldwide and approximately 1.2 million members in 200 countries. Rotary is a major contributor to Scholarships, Education, water projects, training for other clubs and with the Gates Foundation we have contributed significantly to Polio eradication in the world.

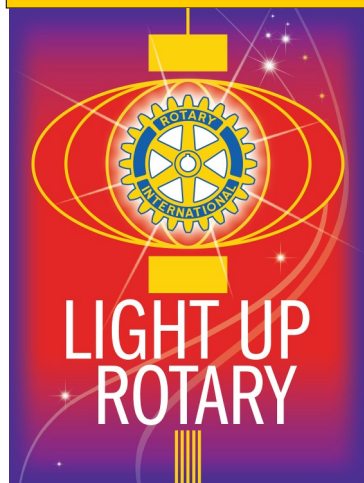

How bright is our light was a question posed by the District Governor emphasizing Rotary is for people who want to make a difference by donating time, attending meetings, making new friends setting expectations and are family friendly. Rotary is also flexible allowing people to find their passion for service and providing opportunities to become involved.

The Rotary District conference will be May 8 to 10, 2015, World Polio day will be October 24th with a march down Stephen Avenue in Calgary with participants meeting at city hall.

The District Governor concluded his presentation with a message from Paul Harris; “Whatever Rotary means to us, to the world it will be known by the results it achieves.”
