FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

In the beginning:

Rotary 
Club of Calgary Heritage Park

I was given a hearty hand shake by John Radermacher our Greeter as I entered this morning.

Meeting started promptly at 7:am by President Harold.

Glad to see he is back with us after a bit of a health scare even though in his own words he is still a couple of strings short of a full fiddle.

Glad to see most of our world traveling members back in town. They all seemed to have a great time on their respective trips.

We were led of with the national anthem by Joan Bedard who also did grace.

Approx. 33 members in attendance.

No visiting Rotarians this week however we did have a few guests as announced by Al Hardstaff.

Linda Brodie guest of Ted Woods, Maureen Bedard guest of Joan, Manual Tejada who is hopefully joining our club and Claire our Exchange Student.

Our Plate Shiner this morning was Jamie Powel.

Sunshine Report was provided by Joan Bedard who provided yeoman service at this mornings meeting.

Birthdays: Sheila Tyminski, Jeanette Pyle and Brian Semeschuk

Anniversaries: Jeanette and Dennis Pyle, Al and Donna Black, Zuzana and Steve

Joan did not have a joke for us so Harold followed through to complete the report.

Our Guest Speaker was Bill Skinner this morning as introduced by Jim Sawyers.

The topic was The History of Chocolate.

This was very interesting to all f us with a sweet tooth.

Just a couple of highlights:

Originally found in South America

Was used as a form of currency by the Maya and Aztec cultures

The consumption of Chocolate was reserved for the Nobility and Powerful and was served with much pomp and ceremony

Brought back to Europe in the 1500's and was developed in the products and commodities we are familiar with today

Lots of health positives and negatives regarding consumption.

Do not feed to cats or dogs as it can be toxic for them

OK for Mother in Laws

Mark Rowe thanked Bill for his presentation.
