FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Be a gift
to the world

Rotary

In the beginning:

MEETING MINUTES – May 6, 2016

The meeting was called to order at 7 AM sharp by Pres. Harry. Joan Bedard let us in the singing of the National anthem and Jim Coyle provided Grace.

Max introduced our guests which included the following:

Visiting Rotarians

Brian Walton – Calgary South

Doug McDonald – Calgary

Bill Stemp – Chinook

Exchange Student Phoebe, who also served as our greeter this morning!

Today our plate Shiner was Joan Bedard. We partook in a fabulous breakfast today, most notably the food was abundant and good.

Sunshine Report

Jim Coyle provided the sunshine report however today there were no birthdays to report. Aliisa apparently is having her 34th birthday on May 8th. Ginny also has a birthday coming up. Clancy Ellingson is having his seven year Rotary anniversary on May 4. As well, Jeanette's husband's birthday was to occur on May 7; a reminder to Jeanette not to miss it!

Jim also reported that he recently returned from a one-week trip to Boston. During the trip apparently the Turnpike Authority identified that 200 dead crows were found on the Turnpike. They brought out avian experts to review the calamity. The experts immediately dismissed avian flu as the cause. It appeared that all of the crows had died from vehicular impact. After further study they identified that the paint on the crows resembled that which is used on big rig trucks. In fact, 98% of the killings were due to truck impacts while only 2% were due to cars.

When asked what the thesis was for the predominance of truck killings, the Turnpike Authority reported that it must be due to the fact that when crows are eating roadkill they always have a look out. The lookout was only able to warn "Caw" so the unfortu-

nate 98% did not recognize the risk of an oncoming truck.

The Speaker

Peter Harding came up to introduce the speaker which today was our very own Zuzana Carter-Edwards.

Zuzana was present to provide the annually-required "Youth Exchange Harassment Awareness and Prevention Training Program" from Rotary International. Instead of providing a detailed report of the contents of the presentation, Zuzana provided the following link which can be used by anyone in the club to revisit the training:

<http://training.nayen.org/training/sample/player.html>

This is a mandatory training for every Rotarian, so if you missed the meeting, please coordinate with Zuzana so that you can satisfy the requirement. If you were at the meeting and failed to sign Susanna as form, please also contact her in order to make sure that your signed off.

Luckily, we were able to pass the final exam indicating that we collectively, (i) were present, and (ii) not asleep during the presentation.

Rotary Minutes

Jim Sawyers was provided a Rotary minute in order to perform the early bird draw which is given annually to the first sponsors secured. Our very own Harry Kim won the award and graciously donated it back to the golf tournament as a silent auction item! In addition, Jim indicated that we have received an expression of interest from Long Ball Lisa to come out to the tournament, perform per five challenges and speak at the dinner. Her fee of \$2100 plus GST needs to be sponsored by somebody. Any takers?

Phoebe was also given a Rotary minute to provide a YEX update. Last Thursday she went to the theatrical presentation of Annie with Asher and had a wonderful time! Then, on Saturday, she moved in for her next locale to Fran & Phil's house. On Sunday, Velma took her to a movie and supper, and she was very grateful! On Friday, May 6, she had her last dance show and all were urged to attend.

50-50

Bob Clarke presented the 50-50 drawing. An orange ticket was chosen with the number 449941. Brad Sewall was holding the winning ticket and, while he provided a well recited four-way test, he chose the three of hearts. Better luck next time Brad!

Happy Bucks

Raju indicated that it was good to be back after a month away. He is going to India to visit his mother who has two broken legs while also being nearly 100 years old!

Fran gave a happy buck that Bill was here. She also gave a sad back at the remembrance of Ron Smith who passed away well in France recently.

Harvey provided a happy buck indicating thanks over the number of volunteers that are committed to make the District conference a success.

Sheila provided a happy buck for all mothers; and a prompting for all the guys present to remember Mother's Day this coming Sunday.

Graham provided a happy buck for 34 years of wedded bliss.

Sheriff

Joan was the sheriff today . She first fined Bill Skinner for not saying hello to the plate shiner. Harry was also fined for rushing us too much. Jim was fined for mixing up Joan and Jeanette, and all who were retired were fined for, well, for being lazy. The working were then fined to pay for the retirees who couldn't afford the fine.

The Closing

Harry provided the following very profound words:

Do it now because sometimes later becomes never.
