FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

It was great to be met by the always uplifting smile of Phil Hochausen on this beautiful autumn morning. During the absence of President Harold, our meeting was ably opened by Jim Sawers, followed by the national anthem led by Peter Harding.

Harry Kim did a great job of leading us in the grace.

Doug Hood introduced our guest speakers Doug McDonald and Richard Austin, so as both are recent new members, they were doing their classification talks. Doug's was short sweet and to the point, and being an ex beaver, Cub Scout and Venturer leader I was fascinated to hear Doug's account of the business side of Scouts Canada along with other interesting aspects of his life. Classification talks can be fascinating as you learn a lot more of your Rotary friends' life histories – I never would have guessed Richard Austin was originally from South Africa. Following these talks, Joe Klassen did a great job of thanking our guest speakers.

Harry Kim presented the sunshine report, and it is with thanks to him having given me the hard copy list, that I have all the birthdays and anniversaries detailed here, and there are quite a few, they are as follows:

Birthdays: Mark Rowe on September 16th, Clancy Ellingson on September 18th, Ginny Murphy on September 19th, Aliisa Paivalainen, September 20th, and Brad Wellcome on September 21st.

Our meeting.

Spouses Birthdays: Brad's wife Kim Sewall on September 17th, Bill's wife Barbara Skinner on September 21st.

Anniversaries: Bill and Susan Hope 39 years on September 17th, Cheryl and Brad Schauer-
ermann 3 years on September 20th.

Rotary Anniversaries: Martin Harvey 23 years on September 1st.

Well done everyone, and hopefully you all remember those all important wedding anniversaries!

The 50/50 draw was presented by Bill Hope, and the winner was....John Radermacher, unfortunately he couldn't find the joker, thanks for trying John, and so the pot continues to grow.

Trying to track happy bucks was a challenge, however I will give it my best shot at a sampling: Graham Drake's happy bucks were for his daughter who was married, not sure if this is the last of the brood to move out Graham, but congratulations anyway. Al Hardstaff's happy bucks were for the bonus option of the chance to participate in the water Valley community \$15 Turkey Dinner after the highway clean up on October 2nd, 2016. - sounds like a "steal of a deal" to me Al.

Bob Clarke's happy bucks were for all the volunteers who put sweat equity into the Hritage Park Fall Vegetable Sale on September 10th & 11th, this is great public relations for our club which benefits both financially as well as strengthening our partnership with our club venue host - Heritage Park. The happy bucks announcement from Zuzana was that Wynn who has moved up to Red Deer is now a grandmother.

Doug Mc.Donald was our Sheriff – and Doug you can be Sherrif any time, I got away scot free this time, short but sweet, however Doug did generate some bucks....

Thanks for reading this, and have a great week,

Since the Annual Waterton-Glacier event was this past weekend, and Claire attended, I thought to give a little background Waterton-Glacier International Peace Park began with a meeting of Rotarians from the United States and Canada. Here are some excerpts from the book "Born of A Vision" by Chris Morrison, published by the Waterton Natural History Association and the Pincher Creek Rotary Club (2007).

"On July 4th and 5th, 1931, Rotarians from Canada and the United States met in Waterton at the Prince of Wales Hotel for a goodwill meeting. While the organizers only expected a small gathering of Rotarians from both side of the border, the response was enthusiastic for the opportunity to stay in a first class hotel during the depression was a great luxury. Nearly 100 members from seven Rotary Clubs in Alberta, Saskatchewan and Montana participated - See more at: <http://rotary5360.ca/stories/waterton-glacier-international-peace-park-association/#sthash.4bthRcGE.dpuf>

During the program the Rotarians rose to sing an international anthem to music each nationality knew "God Save the King" and "My Country Tis of Thee". It was then that the significance of the songs and their sentiments were embraced by the participants. W.O. Wight, the Cardston Club secretary, wrote: *"Why not establish some enduring monument of nature, for instance, to the long-lasting relationship of peace and goodwill between two such great nations as Canada and the United States. Thus the concept of a "peace Park" was born."* - See more at: <http://rotary5360.ca/stories/waterton-glacier-international-peace-park-association/#sthash.4bthRcGE.dpuf>
