FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

In the beginning:

We started the meeting promptly at 7.00 with the singing of our national anthem accompanied with a video on our computer screens.

Raju Paul was the greeter today and welcomed all of our Rotary members to the club today. He also welcomed our guest speaker Daniel Adams who will be introduced more formally a little later, as well as Geoffrey Simmins- guest of Mark Rowe, fellow Rotarian Carla Hamarnes, and Steven Dunk who is a guest of Doug McDonald.

John Radermacher was in charge of the grace today and asked everyone to take a moment of silence to remember the victims of the tragedy in Nova Scotia.

There were some birthdays and anniversaries to celebrate today, and John listed the following folks for us:

Peter Ruptash had a birthday on April 23rd

Ted Wood's wife Tammy's birthday on April 20th

Sheila Tyminski's husband Cliff had a birthday on April 23rd

Mark and Joan Rowe are celebrating 37 years of marriage on April 10th

Dennis and Beth Tillotson celebrated their wedding anniversary on April 18th

Neil and Susan Cameron will be celebrating their anniversary on April 27th

Bill Skinner is celebrating 9 years with RCCHP

Our meeting.

Doug Macdonald is celebrating 27 years with Rotary

Ginny Murphy has 7 years with RCCHP

John also took a moment to share some sunshine with us talking about the difference between people in Abu Dhabi and Dubai and liking the Flintstones.

Eve Robertson took a few moments to introduce Dan Adams and welcome him as our speaker at the club today. Dan spoke about the COVID-19 situation, works with KPMG to help individuals to navigate the process, and is a member of the Downtown Rotary Club. Dan did a great job talking about the various government support programs that are available for employees and employers to assist them getting through the current pandemic. There are a number of programs that are available and the application process and benefits are complicated and it is important for everyone to know what is out there for them.

President Brad will be getting a copy of the slides and will send these out with Dan's contact information for any other questions.

Eve Robertson took a moment to thank Dan for a very interesting presentation and are very grateful for sharing the information with us today. As a token of our appreciation we have made a donation to Polio Plus on Dan's behalf to inoculate 40 kids against polio.

ANNOUNCEMENTS:

Brad's goal was to get four Rotary groups together and come up with a few projects to support. They have narrowed it down to 3-4 projects and will be service based. Things are underway and has been a good process so far.

Joan- working with EarlyAct and Make a Wish to find a project on Facebook for people to make videos to share with the kids and that people are thinking of them.

Karen came to us and mentioned that we can also do something as well. They are looking for little videos to wish them luck and that we are all thinking of them.

Brad is going to send out the link to everyone on Joan's behalf.

Christine- Peter had been taken off the ventilator the other day but this was not successful and they had to put him back on. We are all sending our thoughts and prayers to Peter for speedy recovery and he is able to come home!

Walter

The food Bank is looking for Volunteers and Walter will send out some additional information.

Community HUBS is looking for 5 cars to deliver Good Food Boxes out of the Sunalta Community Association on Wednesday May 6th at 9:00 am. Last month there were 7 deliveries per driver and please see the Standard for more information or call 403-818-1800 or email zuk@hotmail.ca if you are interested.

Our meeting.

We did have a number of people that were happy and here are those jolly folks.

Matt Knox- happy as he had his final exam for classes and is enjoying his time with his family.

Water- happy to hear about Peter and doing a little better and heading in the right direction.

Velma- her daughter writes her final exam and Queen's graduate, and a sad buck for her friends in Nova Scotia who have lost some family members.

Joan- happy buck for Peter and thoughts and prayers are with you, and a sad buck for Nova Scotia.

Peter Harding- for Peter's improvement, the better weather, and Dan's presentation.

Garry Gray- happy buck as he is at his cabin and has been very productive in getting things done.

Next week- Larry Davis, the owner of three pubs and will talk about the impact of the COVID-19 on the food and hospitality industry.

THOUGHT FOR THE WEEK:

Yesterday is the past, tomorrow is the future, and today is a gift.

This is why it's called the present.

Meeting was called to a close at 7.55 am and have a great week everyone!
