FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

In the beginning:

President Christine commenced the meeting at 7 am and in the spirit of respect & reconciliation, Christine acknowledges that we work, live, and play on the traditional territory which makes up the treaty 7 region of Southern Alberta.

Lorne Kelly

After the singing of O Canada, Lorne Kelly announced the following visitors: Mary Turner (DG), David Leslie and Monica Anabelis.

Mr. Surinder Khanna gave a very thoughtful thanks and announced the following celebrations:

Member's Birthdays: Lorne Kelly,

Spouse's Birthday: Cheryl Wellicome (Brad Wellicome) and Ryan Mitchell (Kathy Le)

No Anniversaries to Report

Surinder's Joke of the Day.

During a physical examination, the doctor asked a middle-aged woman, about her physical activity level.

She replied, spends 3 days a week in the outdoors every week. When asked what she did in those days, she answers back, yesterday afternoon was a typical day. I did a 5 hour walk about 7 miles through some rough terrain, walked along an edge of a lake, have sand in my shoes, ran away from a mother bear and an angry moose, avoided stepping on a snake, and at the end of it all I drank a scotch and 3 glasses of wine.

Amazed by the story, the doctor replied, you must be one hell of an outdoor woman. No, the woman replied, I am just a very bad golfer.

Rotary Rotary Opens Opportunities

Our meeting.

Today's Guest Speaker introduced by President Christine, is Mary Turner, our District Governor for 2020-2021.

Mary is a graduate of University of Alberta. She and her husband Steve created the Wildrose Medical Center in Olds, a family practice of 17 physicians. She has been a huge volunteer throughout her life, focusing on community development including chairing the Alberta's Seniors Game, local projects, including a new high school performing art center, and swimming pool.

Mary is married to Steve and has 2 children and 1 grandson. She has been a member of Rotary Club of Olds since 2008.

Mary Turner, Navigating A New World

Acknowledge to the members, her appreciation to come back to visit our club for the second time, to touch base with everyone again. It has been an interesting couple of months as we navigate through these various lockdowns and deal with other scenarios that we had to deal with in the last year.

Mary asked about some Quick highlights over the last 10 months that RCCHP is proud of accomplishing:

Jim Coyle: Club Service committee had done an amazing job, finding different ways to engage us.

Jim Davis: Vocational Services work with St. Mary's U for students to find work. Also 80 people engaged in the Around the World event

Doug McDonald: Wine raffle exceeded our expectations

Bob Clark: Community Service very engaged and a successful Casino

Christine: 49 participants today and very engaged membership and very engaged committee work.

Also, RCCHP is leading the path with the Calgary Rotary Flow Through fund.

Mary is proud of our district to use the technology to engage with the club members.

Here's Mary's challenge to all of us:

Close your eyes and think about the perfect Rotary Club and meeting. What would it look like?

What are the things we like to let go?

What are the things we never done before and secretly wondered about trying?

What can be different and what can be new?

Now it is the time to think and have a conversation about the thing you would like to try as we come back together again after the pandemic and what we like to leave behind.

In the last Rotarian Magazine, there is an interesting article called, Lowering the Temperature. Written by Jean Best and talks about our culture, our club, and things we say and do. Find the magazine and read the article. We are good at recruiting members but fail badly retaining them.

Our meeting.

District Conference: Navigating A New World, Saturday May 1, 2021

District Conference was set up to go to Drumheller but with the Pandemic the format was changed to a virtual format.

Conference is so important to bring us all together. Part of the connection is to bring our young people together. We have so much to learn from our young people and they have so much to learn from us. The theme of our conference is very appropriate for this time we are living through right now.

Great speakers lined up for the conference: Our real-life examples of how Rotary has inspired the way we live work and serve as we navigated our own new worlds.

As we headed home from Russia, Ginny welcomed us, and expressed that there's NO PLACE LIKE HOME. WE MADE IT HOME several days ahead of schedule. Some highlights of our journey, we had over 80 participants, we travelled over 92,000 kilometers, we powered through those kilometers with 20 different activities... we need to pat ourselves on the back for all the activities we did. Ginny thanked our Squad leaders, Asha Paul, Mark Rowe, John Radermacher, Peter Leigh, Peter Harding, & Ginny Murphy.

Please stay tuned for another exciting upcoming event from Club Services. We have a fun event planned for the interim; it is called Calgary Urban Experiences. We are asking members to stay active and while visiting some of our great parks in Calgary, take a picture and send it to Bill Hope. Bill will share your photos on Clubrunner. A special thanks to Bill Hope... he has been the powerhouse behind all the great ATW updates on the Clubrunner. Thank you to all members who participated in this amazing journey.
