In the Beginning

At 7:00 AM sharp, President Christine, via Zoom, began the meeting in the usual spirit of reconciliation, and played a video of a beautiful and flawless rendition of the National Anthem by GTA Strings & Friends.

Peter Leigh acknowledged a good crowd present virtually and introduced our guests, including speaker Brad Parry of Calgary Economic Development, as well as a Monica Montebellas. Peter encouraged us to all be thankful that we did not have to drive to the meeting.

Darrell gave thanks for our daily food and petitioned that Rotary friends and Rotary ways may help us serve all our days.

Sunshine Report

Darryl also announced that Ola and Din would both be celebrating birthdays on March 27, that Joe and Carole had celebrated their 17th anniversary on March 25, and that Doug MacDonald and Ivy would be symmetrically celebrating their 30th on 30th. He also advised that April 1 would be Bill Skinner's 10th anniversary in Rotary.

Darrell concluded his segment by telling of an old man who, by applying a clever economic twist, devised a means of increasing his watermelon sales.

Guest Speakers

Speaker Brad Parry, introduced and thanked by President-elect Doug, enunciated a vision of Calgary as the city of choice for smart people to embrace advanced technology and create solutions for some of the world's greatest challenges: cleaner energy, safer and secure food, safer movement of goods and people, and better health solutions. Brad's presentation, as well as his preceding bio as provided by Doug, are well worth a look and a listen by following this link: <https://www.youtube.com/watch?v=r3nDFoibzbc> .

Continuing A Year of Thanks

Brian Gentles taught us how to say thanks in Russian (“spa see ba”).
