MEETING NOTES

President Brad started the meeting at 7:00AM sharp. There was a buzz around the room and everybody stood for the introductory remarks.

Max Patel introduced the visiting Rotarians and guests, There was a little confusion in the room as Max asked them to please stand up when their name was called. With everyone already standing this didn't work out so well. So everyone sat except for the guests and order was restored.

To keep the sit/stand theme, Jamie asked everyone to sit for grace.

Diana also spoke of with learning from elders in the community as many of them had attended residential schools and were not in a position to share learnings.
