HERE COMES THE 70s

The President's shindig was far out! Anyone chillin' at the pad missed a stellar event. Folks were all decked out in their cool threads. It was well organized with good food, fellowship and all around cool vibes.

Cool cat Harold gave the invocation.

Good Brad won the 'Guess Who Contest' and was Toasted and Roasted to the max.

He was then inducted into the very prestigious and exclusive Past Presidents' Club.
