PROGRAM

Bob C and Peter H for a presentation on Membership with a fun “St Patrick’s Day” themed presentation to enhance the Club’s focus on building **MEMBERSHIP**. Not by wishing on lucky charms or waiving shillelaghs about but through their usual enthusiastic roundtable discussions, asking:

- Why did you join Rotary?
- What do you love about RCCHP?
- What one word would describe RCCHP for you?

Once finished with the blarney and everyone did some sole searching on these three thought-provoking questions, each member was asked to consider who they might want to invite to our Club to experience the same fun, fellowship and self-gratification of service through Rotary. With that seed planted, Bob and Peter promised to return with a compilation of all the grand responses. They expect that at the end of this rainbow of wonderful ideas the Club will find that pot filled with something even better than gold, a wealth of new members.
