FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

ROTARY:
MAKING A
DIFFERENCE

In the beginning:

We gather for our meeting in Gasoline alley and a few of us make a sneak peak at the autos sitting so elegantly in their space.

President Jim gets things underway as usual and we sing the national anthem and give thanks before enjoying the bounty that is the buffet.

Harry Kim shares with us a roster of nominees for future club positions and we are impressed with our volunteers. Please see the attached item regarding the positions and a few notes on the elections process from our bylaws.

We also have the pleasure of a classification talk from new, but certainly not inexperienced, member Lorne Kelly P.Eng.

He is introduced by Walter Zuk.

Lorne grew up on a farm near Regina. And he shares that he has four areas of passion in his life: Charity, well being, family and professional. Although retired he keeps busy riding bicycle almost daily, and appreciating the natural beauty of Calgary.

He has always made a priority of spending time with family—wife Marion and two daughters. He is a U of S graduate with honours. Started as project manager for Shell Canada and started into management at young age. Quickly rising to manager of Jumping Pound area which is a huge gas plant. Made it to the sable offshore gas plant in the east. After 30 years, took retirement and has been consulting for eighteen years.

Volunteer work includes building playhouse for habitat for humanity. Also renovating sites for daughter such as a income suite. We saw a photo of fancy cabinetry work demonstrated in units for mom and church. We saw some examples of art, and also Lorne leading sketching demo to kids.

Thanked by Sheila.

Ted wood gave the sunshine report.

Doug MacDonald is the Halloween birthday boy.

After an exhaustive effort, he did find a great joke.
