FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

BE THE INSPIRATION

In the beginning:

THE STANDARD

August 24, 2018

It's the dog days of August with fires, smoke and hurricanes.

Inside the Gunn Barn however the air was clear and fellowship was effervescing.

Darryl Luhr greeted the members and guests.

President Jim sounded the bell at 7:01 am and blamed it on Sheila.

Surinder led the national anthem – a mish mash of old and new versions.

Rob gave the blessing and the good-looking old-timer polished the plates.

PRESIDENTIAL ADDRESS

President Jim Coyle has been a leader for his entire career but he realizes that leading a volunteer organization is different.

The Theme for this year is *Engagement*

The Vision Statement is *"Together we see a world where people unite and take action to create lasting change, across the globe, in our communities and in ourselves."*

Aiming for Diversity in thought. We have a few potential members in the pipeline.

Leadership Development:

Taking on leadership roles is the best way to expand leadership qualities.

Attend the District Conference in Olds and the RI convention.

Foundation Giving:

Our meeting.

Through the Calgary Rotary Clubs Foundation and the RI Foundation.

Community:

Club:

President attempted to show a video about Inspired leadership which was aborted due to technical difficulties. (Perhaps the Club could invest in a good quality WIFI Speaker)

The gist of the video as portrayed by the Pres. was to demonstrate what happens when the system stagnates. The Cell not in motion is not a productive member. It assumes others will pick up the slack but they don't.

Our challenge:

A chair to lead a committee to explore a fall event

A chair to lead a committee for the Golf Tournament.

Ideas:

We were divided into small brain storming groups and the following ideas manifested.

Channel the energy in the club and see where each member can contribute.

Have smaller committee sizes with a subgroup of people who would be prepared to help in the committee's projects.

Ted is happy and willing to lead the "Give a Fork" event with the help of Garry Gray.

Build a committee of 6-8 people and let a leader emerge.

Set a fund-raising goal and define a mechanism to raise that money.

Develop a manual for each funding event that would be a reference for future committees.

Define a project toward which the funds will be directed.

I am surprised nobody suggested a "Fund Me" web site.

MINUTE MOMENTS:

September 14 meeting is cancelled to encourage members to attend a district event – a movie to be shown at the Globe theatre on September 13 at 6pm.

Garry had two flags from Ontario Clubs.

Jim Davis is representing our club at the Calgary Rotary Clubs Foundation for the next three years.

Our club's contribution this year was \$2,500 which grew our individual capital to \$65,197.

Our allocation this year was \$1,850.

Please note that our contributions are tax deductible.

There was no time for Happy Bucks and Sheriff.
