FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Standard Report – Rotary Meeting Friday Jan. 12, 2018

Rotary
Club of Calgary Heritage Park

The Presidents warm and welcoming greeting was met by a cacophony of noise much like that of a thousand chickens all penned up. The bell was struck with a heavy stroke to bring order to the meeting. Joan led us forward with a quiet version of "Oh Canada" which was followed by a welcomed grace. It wasn't long before the friendly clucking started up as the members tried to set up the meetings pecking order. John Rademacher quickly rose to the occasion and perched himself at the rostrum striking the bell for a second time. Reminding our flock that our visitors and guests also needed their time in the sun. Following our guests to the feeding line only meant that the birds would have to be kept in line by the plate shiner.

Our Guest Speaker:

"Sheralee Stelter" from the Cerebral Palsy Kids and Families Support Program

We have supported the organization in the development of their adapt a bike program over the past two years. The program also provides numerous other supports for their families. Medical equipment, tech support grants, summer camp programs and general counsel in helping families come to terms with the various hurdles they will face along their journey. The adaptive bike program is one way of bringing families together to find support in the community and to enlarge their capacity to adapt and cope with their family members special needs. The presentation was very moving and uplifting. Many lives are being changed through the generous support of numerous volunteers. The program has been opened to a wider community by being available to other individuals who have been im-

Walter Zuk expressed thanks to Sheralee for the wonderful work that was being done and reminded our members that there was a place for our ongoing support in the work of the organization.

Anniversaries and Birthdays – Brad Wellicome:

Brad brought to the attention of members that they still had time to fix any forgotten dates and mend any broken hearts. His joke was about a visitor to the bar who ordered a number of drinks and downed them as quickly as possible. The bar tender surprised by the speed of the man's actions asked why he drank them so quickly. The man's response was "if you had what I had you would be doing the same." "What's that?" asked the bar tender. The man's response "A Looney"

Announcements and Motions:

Second Chance Art Sale – Support Request – Eve Robertson:

The success of the Second Chance Art Sale depends on getting the word out as widely as possible in and around Calgary. We need hundreds of pieces of art to sell and then we need hundreds of people to attend the sale on Sat April 14 and buy the art. Social media does this job very well. By a show of hands it looked like only a 1/4 to 1/3 of members are regular social media users. However the rest all have friends & family who are users of social media and we need to ask them to help us to use their accounts to spread the word for us.

When we are ready to ask for donations of art Eve will circulate an email with the links to RCCHP social media links. Between now & April 14 we will be regularly updating RCCHP Facebook and creating messages for Twitter & Instagram. If you don't find our messages on your favourite electronic noticeboard/social media platform please contact Eve and they will be added.

We will be using other forms of advertising eg roadside signs, WaZup, community newsletters & noticeboards, visits to Rotary clubs etc. Again suggestions will be welcomed by the SCAS team. Those include: Bill Skinner, Don McArthur, Jeanette Pyle, Joan Bedard, Lorne Kelly, John Radermacher, Walter Zuk, Sheila Tyminski, Peter Leigh, Neil Cameron, Eve Robertson.

Community Services Committee – Motion Brad Sewall:

On behalf of the Community Services Committee, I move that RCCHP support the Peace by Piece Guild in the amount of \$2000.00 to provide supplies for their making of quilts. The motion was seconded by Phil Hochhausen, all were in favour, approved.

Ann. - Indian Dinner Jan. 25, - Max Patel:

The minimum number reached therefore the Dinner will be held. The Signup sheet was passed around to each table should any other members wish to sign up. Further details about the event can be gained by being in touch with Max.

Happy Bucks and Sheriff's Actions:

Dennis Tillotson was both Happy and Sad in sending off his daughter and family to the Netherlands where they would take up new employment. Peter Harding also expressed his mixed emotions in sending his mother in law back home after her Christmas visit. There was no pleading on Peter's part to have her stay. Words of encouragement and welcome were expressed to other visitors. The Sheriff Brad Wellicome stepped to the front with a large smile “like he was the Rooster in Charge”. Brad took no time at all to target the loudest cluckers. Harold, Brad, Dennis, and Walter were the first to fall. Still not satisfied he spread out his net to draw in a few more clucker's by fining those who had a warm garage for their cars and those who were sitting with friends they had sat with a week earlier. He left his roost with his wings flapping with joy.

There is geometry in the humming
of the strings, there is music in the
spacing of the spheres.
