FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

BE THE INSPIRATION

In the beginning:

President Jim starts the meeting on time and the crowd immediately quiets and remains so without so much as a peep. (or was that in his dream??)

After we sing the anthem and give thanks we are introduced to our many guests.

District Governor Dan Doherty and our incoming members were joined by: Duane Blahun (guest of Janet), Gord Fontaine (guest of Brad Sewall), Sheena Bates (guest of Peter), Lisa Bennett (Heritage Park), Ryan Mitchell (guest of Kathy Le), James Ducs (guest of Christine Murphy), Fatou Olutuyi (guest of Ola).

President Jim throws everyone a curve, because we know everyone at RCCHP loves change & surprises. We get underway with the some business.

Sunshine Report: Jeannette Pyle

Jim Coyle with birthday on October 25

Neil Cameron with one year in Rotary

Jim Sawers with 8 years in Rotary

In lieu of a joke, Jeannette talks about the story of musician David Sanborn who survived polio and has fond thoughts of Rotary in his journey.

50/50: Enya's ticket is drawn, and we wondering if we will hear the 4-way test in Deutsche, but instead get a mediocre assist from Jamie Powell.

Enya shares her week with us, having been to a football game with a friend from French class. So we're happy to see our student has arrived with good enough English to attend some French lessons. She has been getting up early and going to the gym. She will be visiting Millenium club and giving her presentation. And she bakes some brownies, the type from before the 17th.

If you said sorry needlessly

The heart of today's meeting:

Paul Harris Fellowship Presentations

Our first three PHF members are non-Rotarians being recognized for their contribution to our club. During the 2017/2018 Rotary year the board sought nominations from the club for sponsors who truly go above and beyond. The certificate we present states "You are hereby named "Paul Harris Fellow in recognition of tangible and significant assistance given for the furtherance of better understanding and friendly relations among peoples of the world".

- 1) Ian McKeen; Canyon Creek Toyota Ian McKeen, his father Peter and their company have been great sponsors and contributors to our annual golf tournament for 10 years. They were title sponsors for many. The teams they brought were active participants in the golf and auctions and also the balloon prizes. They have gone a long way to making the tournament a success.
- 2) Gord Fontaine; Soffritto Oil + Vinegar Bar Gord and the crew at Soffritto have been a tee sponsor for the golf tournament for 6 years. Their oil & vinegar prizes and flavoured salts have been a big hit at the event. The gift baskets they prepared are always well received. The team that attends the event takes part in the other games and auctions with enthusiasm.

Our meeting.

- 3) James Ducs; Mountain Top Foods James has supported our club for over 10 years. They have been providing food to golfers at the tee box, and provided at cost the beef jerky for the annual PolioPlus fundraiser every year. Through his support we raise \$1500 –200 annually.
- 4) Our very own Greg Smythe, club treasurer and member of many years. Greg has been faithfully tending the account and ledgers of our club on this 2-year post with humour and grace. We are grateful to have him as a member and recognize his many talents beyond the treasurer role. Greg and wife Leah take part in our social events and always add to the fellowship.
- 5) Sheila Tyminski Has been a club member for many years and is a Past-President of our club, and has previously been made a member of the Paul Harris society. She adds another pin in appreciation of his continued support of the Rotary Foundation.
- 6) Bill Hope is a charter member of RCCHP, and has held many roles in the club. Bill has been a stalwart exec and served on almost every committee. Bill adds another pin in appreciation of his continued support of Rotary International.

New member inductions:

When I was preparing for this introduction I realized something very interesting. All 5 of them were already Rotarians – they just might not have known it. Maybe they didn't realize it, but their actions were certainly very consistent with Rotary ways and values.

David Field, Lawyer – retired. Previous Rotarian with Downtown Club. Lived in Mongolia for a couple of years. Canmore for a couple. Now that he's lived in cold climates, he's decided to retire in the banana belt and settle in Calgary. He looks to help out with Club Service.

Janet Blahun, Commercial Banking – with Canadian Western Bank. Husband Duane is here to help celebrate her induction. Involved for years with Peanut Butter Classic Golf Tourney that raises funds that directly impact charities supporting women and children in need. Acted like a Rotarian and just didn't know it! Interested in Community Service and has already joined the committee.

Paul Bates, Real Estate – retired. Sheena, his wife, is here to support him. Previous Rotarian with Canmore, Strathcona Sunrise and Downtown. We had exposure to Paul as Assistant Governor under DG Martin Harvey. We each have our unique vocations, and you may not know this but Paul knows about Scullery! A previous role he had with the Downtown Club was Scullery Manager at the Annual Stampede BBQ. He's interested to help our club where most needed. Directors – line up here!

Kathy Le, Broadcast Journalism with CTV. Fiancé Ryan Mitchell is here to support her. In July, we saw Kathy's passion for reporting when she shared with us, "Poison Pills: Calgary's Fentanyl Crisis". As a volunteer, she has hosted numerous events with many of the groups our club has been working with – so already familiar with the kind of work we do! Acting like a Rotarian! Particularly interested in International Service.

Olajude Olutuyi, but call him Ola. Financial Analyst with Scouts Canada. To help Ola celebrate he is joined by a colleague Ms. Fatou Fofana, from the Independent Living Resource Center. Ola has been volunteering in both community (Independent Living Resource Center in Calgary) and internationally (Samuel Olutuyi Foundation in Nigeria) for years. There's a pattern here – Rotarian in his actions and now in the club. We just have to figure out how we can turn his soccer skills into a fundraiser! He's interested in Community and International Service.

Thought for the week:
