FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

BE THE INSPIRATION

In the beginning:

President Jim C opened the meeting. Peter R led in the singing of **O Canada**. Sheila T presented **grace**.

Art S introduced:

Guests: Janet Blahun, prospective member; Enya Oppermann, our Inbound Exchange Student and Today's Guest Speaker; and

Rotarian Paul Bates from the Rotary Club of Calgary and future member of RCCHP.

The **plate shiner** was the enthusiastic Garry G.

Ginny M introduced **Today's Guest Speaker: Inbound Exchange Student Enya Oppermann**:

Enya, who speaks excellent English, is from the Klingenstein region of Solingen, Germany.

She presented a video, in German, of the city of Solingen. The scenery and sites are spectacular. Solingen has a 160,000 population of which 23,000 are not of German origin. The main industry of Klingenstein is manufacturing cutlery. Its motto is "Colourful Instead Of Brown".

Enya is 16, She has a 13 year old brother, a 19 year old sister, a dog and a cat. Her hobbies are swimming and horseback riding (dressage and jumping, anything but western). She is fluent in German, English and French, and she speaks some Greek. Her stepfather is Greek.

Our meeting.

Her school has Grades 5-13 with 1440 students and it is MINT certified.

Enya was sponsored by The Rotary Club of Solingen which chartered in 1962 and has 57 members - all men. There is a women's club.

Although Enya did not care where she went on the exchange her objectives were:

Experience another culture.

Meet new friends.

Personal development.

Learn better English.

Interesting facts about Germany:

Beer is legal at 16.

The landmarks and attractions.

Specialty food of her home region: Horsemeat or beef, with potato dumplings and beetroot (and you can add apples). Enya doesn't eat the horsemeat version.

After being in Calgary 3 weeks, things she found most surprising:

People are very friendly - bus drivers moreso than back home.

Our door handles are more varied and therefore tougher to use.

She did not expect snow so soon.

Enya was **thanked** by Ted W.

Enya O drew her own ticket, was coached through the 4-Way Test but was unable to draw the joker for the \$237.

Happy Bucks

Bill S is happy about the project research in Guatemala and club banners.

Bob C donated the \$51 **Casino** tip money.

Garry G and Ted W are happy for the snow, as snow says snowmobiling is on its way.

Graham D is sad he was not graced with Casino tips but happy for having a great hike.

Velma N is sad for few attendees and last night's Rotary Presentation of Sheldon Kennedy's movie, but happy for the excellent presentation.

John R announced the **RCCHP dinner at Ronald McDonald House**, Saturday September 22. The happy buck was successful in their quest for 2 more helpers. FYI, kitchen access is about 2:30 and dinner is served about 5:30.

Surinder K gave big bucks for his son's fantastic accomplishment. After 4 years of recovering from a serious ski accident he worked his way through walking to bicycling and now completed a 10 mile run! This is happy news.

Doug K is very sad because it was Fran H's fault he didn't get any Casino tips.

Sheila T is happy for Enya's presentation and for her attendance at her daughter-in-law's Canadian citizenship ceremony.

Fran H is happy for Enya's presentation and her mother's birthday, noting she would not admit her correct age.

Surinder K is happy for our Casino and the Bethany Atrium to which Rotary has contributed \$20,000.

Christine Mihailedes is happy for club banners from the USA.

Bill H is happy for our Casino and working with Christine Martin as chiprunners.

Peter H is happy for last night's Rotary Presentation of Sheldon Kennedy's movie and the historical fact that when he took a cooking class at SAIT that he purchased a knife from Solingen.

Bill S promoted next year's **Second Chance Art Sale** by starting to collect art.
