FOUR WAY TEST

In all things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

In the beginning:

We gather as usual in the barn, weather no obstacle for the hearty souls of RCCHP.

I stepped in late as reporter, so we'll go directly to Phil and the Sunshine report:

We have 3 marriage anniversaries; Din and Nuri 57 years, Doug Kinley (who it seems might need to update Clubrunner) 119 years, and Phil and Fran Hochhausen 46 years. And we heard a story of some kids and a dog, still trying to figure it out.

President Brad presented the Election slate, and it was passed without challenge.

Sheila then introduced our speaker for the day, none other than our inbound YEX, Miss Valentina Alfaro.

Hailing from Santiago, Chile, a nation of varied terrain. From mountains to coast to vineyards to Antarctica they have a terrific variety. It is interesting that both parents have been Rotarians for over 20 years. When she declared her desire to join rotary at age 13, she had to join the youth group.

It seems that exchange is more popular down south: there are 86 YEX from her district, including 12 from her club.

It is the Rotary club of Santiago Penalolen. She has been an equine therapy volunteer and takes part in a unofficial Rotary friends group

Her family consists of her parents, a sister, cousins and many extended friends. Her mother is youth exchange organizer for her club. And they are hosting a student from Germany at the moment.

Our meeting.

Random thoughts. She loves art, trapeze, funny socks and generally goofing around. Her wish list summarized: winter sports, foods (especially baked goods), northern lights & a polar bear, small towns & cities, Vancouver.

Thanked by Sheila. Do remember to include her if you have some travel or activities that might add to her experience.

Brian Semeschuk:
