

## A Special Invitation from...

## The Rotary Club of Edmonton Strathcona

Greetings,

On behalf of the Rotary Club of Edmonton Strathcona, "*the friendly club*", we would like to invite you and any of your friends and colleagues, as prospective club members, to a free introductory Rotary lunch on **Tuesday May 2, 2017**. The venue is at the German Canadian Cultural Association, located at [8310 Roper Road, Edmonton](#), and the lunch meeting starts at **12:00 noon** and finishes at **1:30 PM**.

We are a dynamic service club made up of local business people that is part of the well-known and respected Rotary International organization. We have weekly lunch meetings every Tuesday at the German Canadian Cultural Association. We have a number of fun and engaging social events throughout the year. Our Rotary Club has a number of initiatives that assist us in doing some great community and international projects, making our world better locally and globally.

**Please RSVP by Thursday April 27, 2017 if you are able to attend our May 2, 2017 lunch meeting.** Please feel free to contact myself directly if you would like to attend another future meeting, or would like more information regarding our Rotary Club.

Kindest regards,

Eric Germain
