Come take a moment for yourself with Vancity Labyrinth. They'll have their portable labyrinth set up for guests to use free of charge (weather dependent). Pull an intention card; soak in the sound bath; and take a walking meditation as you journey inwards to connect to yourself. Labyrinths are thousands of years old and known to having calming and stress reducing effects. We look forward to seeing you there!

Mural Update | New Westminster Rotary Thank You

Above is a photo from our Holiday Market where Rotarian Courtney Wade generously presented us with a cheque to help fund our container project. We are so grateful for how our community has come together to help us recover from our two break ins. Thank you to New Westminster Rotary and to all the individuals who donated as well!

Everyone who so kindly and generously donated will soon have your hand prints join the side of our new container permanently as part of our mural project (which is designed and will be painted by New Westie, Holly Nickerson). We are so excited for this mural to get started but the weather and work being done on the parking lot in front of City Hall have put a pause on this project. We will update all donors as soon as we are able to start work!

Thank you again for your support and patience.
