Club of New Westminster

Rotary Club of New Westminster

Our inaugural Bevies & Bites held on February 29th was a SUCCESS!

With your help we raised much needed funds for Rotary programs, KidSport New Westminster and the I's on the Street program.

Thank you to our beverage and bites sponsors!

Thank you to our financial sponsors and the donors of items for our silent auction!

Thank you to our many volunteers!

Thank you to our attendees!

Jen Arbo representing KidSport shared: KidSport New West is grateful for the support of the many people who bought tickets, bid on items, and shared about the Bevies & Bites event. All funds received stay in our community and help ensure all New Westminster kids can play by paying for registration fees for organized sports.

Betina Wheeler representing I's on the Street shared: The New Westminster Homelessness Coalition Society would like to thank those who attended the Bevies & Bites event for supporting our I's on the Street program. The funds raised will stay in New Westminster and support this award winning street cleaning service designed to serve as a "stepping stone" to regular

employment by re-connecting individuals who are homeless or at risk, or living with a mental illness, back to society.

The members of the Rotary Club of New Westminster recognize that much support is needed during the COVID 19 situation in our community. Although we are not meeting in person, we have been holding virtual meetings so we can continue to help and make a difference now.

So we are bringing books to the homes of young children by donating to the Dolly Par-ton Imagination Library, Queensborough.

We are supporting our seniors, by making a donation the Seniors Services Society, Meals on Wheels program.

We are helping our most vulnerable by making a donation to both the Salvation Army and Union Gospel Mission to provide ongoing support to the programs they offer.

We delivered 4 cases of cookies to the hard working medical staff at the Royal Columbian hospital.

Let's all keep working together to plank the curve.

As Dr. Bonnie Henry says:

"This is our time to be kind, to be calm, and to be safe."

Interested in helping us?
