REMAX Advantage Realty's Top Sales  
Team 2003-2015

Recently, we donated an industrial fridge and toaster to the Union Gospel Mission.

"We are grateful to the New Westminster Rotary club for providing the Capital Funding to help us meet the needs of the community increasing our abilities to provide proper refrigerated storage of donated produce and to ensure a smooth uniform hot toast program to go along with our breakfast that we serve each weekday."

- Michael Miller, Kitchen Supervisor

(Pictured above: Mike, Jessica, Randy representing the UGM, and Rotarian Carmelita)

"... the fridge has been filled and emptied many times since its arrival on the 28th of July. It has been of great value preserving the freshness of donated produce and has been a key element of UGM's participation in the Plant a Row Grow a Row Project where local community gardens and individual gardeners work together to plant an extra row in their gardens to donate to distribution centers like Union Gospel Mission" - Michael Miller, UGM Kitchen Supervisor
