

Who are our Heroes?

Without a doubt, they are the men and women who have bravely served our country in times of peace or conflict, but they are also the doctors and nurses and healthcare workers who are serving at the front lines during this pandemic. Our **heroes** are our first responders, police officers and firefighters who are ready and willing to respond when they are called. Our **heroes** are our teachers and grocery store workers who keep us nourished and fed. Our **heroes** are the folks who are willing to stand up and speak out for those who have received unfair treatment. They are also our neighbors and community volunteers who give of their time and effort to help make our communities better places to live.

To honor our **heroes** we will be displaying American flags at highly visible locations in each community. Each flag will have a plaque attached that will honor a specific person or group and acknowledge why they are being honored.

Join us in giving thanks.
