## ALASKA PHILANTHROPY ADVISORS IMPACT PHILANTHROPY

PRESENTED BY DENNIS MCMILIAN

**Dennis McMillian** is the Foraker Group's founding President and CEO.

Prior to Foraker Group, he served as a development officer and then as CEO with United Ways around the country. He came to Alaska in 1992 to lead the United Way of Anchorage.

Since then he has worked to build the state's philanthropic culture, including helping to develop the Alaska Community Foundation. During his career, he's trained thousands of professionals and volunteers, consulted and spoken at numerous conferences, including the Council on Foundations, Philanthropy Northwest, and Independent Sector.

Dennis is the author of *Focus on Sustainability: A Nonprofit's Journey*.

Alaska Philanthropy Advisors will provide assistance to Alaskans seeking to use their wealth to make positive change. Individuals, companies or families often need help defining and articulating philanthropy goals, identifying partners or grantees, and investing in programs that achieve the donor's desired impact. Rasmuson Foundation is underwriting the start-up costs for the first year. In the future, the service will be supported by user fees.

## ROTARY YOUTH EXCHANGE

You can help promote global peace in your own home by hosting an international exchange student. Exposure to new cultures and customs is a powerful way to learn about the world. And it's not just students who benefit – your family will become enriched by extended, friendly contact with a young person from a different culture. Exchange hosting typically lasts 3-4 months, but your family could be left with a friend for life. If you are interested in hosting an exchange student, please contact Nicola Stewart at [nmstewart@petrostar.com](mailto:nmstewart@petrostar.com) or call her at 452-0616.
