6 Humanitarians Honored for their Work with Refugees

Six humanitarians who are members of the family of Rotary are being honored as People of Action: Connectors Beyond Borders during the 2019 Rotary Day at the United Nations, which focuses this year on the global refugee crisis.

The annual event, being held at the UN's headquarters in New York, USA, on 9 November this year, celebrates the vision for peace that Rotary and the UN share. Through Rotary's long history with the UN, its members have helped people affected by war, famine, and disaster.

Today, the number of refugees worldwide is the highest it has been since World War II. The six honorees — five Rotary members and a Rotary Peace Fellow — are all people of action who have found community-based solutions to the refugee crisis.

Below are the honorees, for more information visit: <https://www.rotary.org/en/6-humanitarians-honored-their-work-refugees>
