MUSICAL PERFORMANCES

FEATURING BRYAN HALL & RYAN FITZPATRICK AND THE
NANOOK STRING QUARTET

Ryan Fitzpatrick, a native of Bourbonnais, Illinois, graduated from the Indiana University Jacobs School of Music in 2013, where he earned a degree in music education. He's completing his master's at the University of Illinois at Urbana-Champaign. He is the principal cellist of the Fairbanks Symphony, is teaching cello and music education, and performs with the Alaska Trio at the University of Alaska Fairbanks.

Bryan Emmon Hall, Ph.D., has enjoyed success as both a performer and teacher. He completed his master's and doctoral degrees at The University of Texas at Austin, Butler School of Music, under the tutelage of Brian Lewis. Dr. Hall serves on the University of Alaska Fairbanks faculty as the violin/ viola professor and pedagogy coordinator. He is Concertmaster of the Fairbanks Symphony Orchestra, conductor of the Northern Lights Symphony Orchestra, and conductor of the Fairbanks Youth Symphony Concert Orchestra.

The Nanook String Quartet will also perform today. Formed in 2014 as a student ensemble at UAF, the group continues to share their love of chamber music with the Fairbanks community and beyond.

TODAY IS PROSPECTIVE NEW MEMBER DAY

Welcome to all of our guests!

Please let us know if you have any questions about our club or the work that we do.

New member applications are located on our club website.

ROTARY YOUTH EXCHANGE

Help promote global peace by hosting an international exchange student! You can also recommend a non-Rotarian family to host. Exposure to new cultures and customs is a powerful way to learn about the world. And it's not just students who benefit – your family will be enriched by extended, friendly contact with a young person from a different culture.

Exchange hosting typically lasts 3-4 months, but your family could be left with a friend for life. If you are interested, please contact Nicole Stewart at nmstewart@petrostar.com or call her at 452-0616.
