

To Whom It May Concern,

This letter is to confirm that \_\_\_\_\_ is currently volunteering with Rotary International District #5370 for the Grande Prairie Swan City Rotary Club Youth Programs.

It is for these programs that they are required to complete a Criminal Record Check (including Vulnerable Sector Check) as a matter of due process.

If you require any further confirmation, please do not hesitate to contact myself or the Rotary District Office in Edmonton. Contact details are listed below.

Thank you very much for your assistance in this matter.
