

Rotary Foundation Donation Form

Where This Money Goes

The money is held by Rotary International in the Annual Fund and invested for 3 years. Return on investment is used to assist in RI operations so they can continue to do manage the great work of all Rotary Clubs around the world. The funds are split 50-50 between the World Fund (Rotary International Grants) and District Designated Funds (District 5370 Grants – our district). Rotary clubs can apply for grant funding for humanitarian projects in areas such as health, education and the alleviation of poverty. Examples include disease prevention, clean water, literacy, peace and the eradication of Polio.

Swan City Rotary has accessed these funds in the past for our projects in Mexico, Ethiopia, Chile and Cambodia. In the last 3 years we have received district grants for our Highway to Mexico, Philip J. Currie Dino Museum Tours and Friendship Centre projects.

Sign Up Today

Rotary International’s target for contributions is \$100US per year per Rotarian. \$100US is approximately \$35 CDN per quarter. Donors who contribute an accumulated \$1000US will be recognized as a Paul Harris Fellow. Each multiple of \$1000US is also recognized. Donors who contribute over \$10,000 will be recognized as a Major Donor. Your donation truly changes the lives of people in this community and all over the world.

Thank you for your generosity!
