## Objectives

Rotary fosters the 'ideal of service' through:

- Fellowship — developing acquaintances as an opportunity for service.
- High Ethical Standards — in our occupations with each occupation providing an opportunity to serve society.
- The Ideal of Service — in each Rotarian's personal, business and community life.
- The advancement of international understanding, goodwill and peace.

## Obligations

The opportunities that come with being a Rotarian, also come with obligations.

The Rotary 'ideal of service' provides an opportunity for all members to benefit from the philosophy of unselfish volunteer service and the attitude of being thoughtful and helpful in our club, vocation and personal endeavours.

As in any business, the business of the club needs good leaders. Rotarians are encouraged to seek out positions on the executive team.

For the club to function successfully, all members must contribute. Each Rotarian should make the commitment to participate fully in club activities and programs and to volunteer to lead club projects as the opportunities arise.

## Attendance

Regular attendance at club meetings is one of the basic obligations a member accepts upon joining Rotary.

Weekly lunch meetings are held each **Thursday at 11:45am** and all members are expected to arrive on time. Meetings conclude at 1:00pm.

Members are expected to attend at least 60% of club meetings.

A member can 'make-up' a meeting while traveling outside Hay River by attending another club's meeting. A 'make-up' counts towards the 60% attendance.

## Financial Commitment
