

The Rotary Club of Spruce Grove has responded to the COVID-19 Crisis by identifying local organizations providing support to those in need within our community.

As we all know, March resulted in a significant shift for many. The Rotary Club of Spruce Grove shifted to online meetings and postponed several major projects. (Champions of Good Youth Recognition, Golf Ball Drop, and a summer Ribfest Festival)

We recognized that local organizations who support those in need would probably need more support. We called out to the community to let us know what were the increased needs.

Over the course of the next 2 months, (April and May) we provided a number of organizations with additional financial support, totalling \$19,700. Check our website, www.sprucegroverotary.org, for details.

At the present time we are reviewing current needs and going ahead with several specific projects. We expect to continue with the COVID-19 Relief Project as we believe increased need will be with us for months to come. We also have several other projects in the works.

At this time we are initiating a fund raising campaign to support our club's projects.

Contributions can be made using the "Donate" button on our website or by contacting our club at 587-763-250. Donations can be a one time donation or can be monthly. Donations of \$20.00 or more will be provided a tax receipt.

Donations can be directed to a specific project or made to general funds. When you donate online, please select The Rotary Club of Spruce Grove as the fund, and use the comment area to direct your donation to a specific project, if you wish.

If you are able to support our club's projects at this time, thank you. Also note below that recognition will be available for specific levels of donation.
