Subject: THE BUZZ

Sad to say that Summer is almost over as Fall approaches. Hoping for dryer weather for all of our farmers

1. We had a Guest Speaker - Stacey Amyotte from the University Hospital Foundation. She spoke to us about the Rural Stroke Ambulance. It was very informative as to how this ambulance will be utilized. It will be stationed in Edmonton and if one of our doctors feels that a patient has warnings of a stroke they will notify this to the dispatch. Then an ambulance from here and the stroke ambulance will coordinate a meeting spot and will race towards each other. Of course there is a cost associated with getting this ambulance up and running. Stacey will be forwarding me a breakdown of the funding required which will be reviewed and brought back to our membership for discussion.

2. Wes updated us on the clock. He is in touch with the fellow from the books that he received and they seem to be making progress. Keep your fingers crossed that this will all be rectified in the very near future. He also updated us on the surveillance system at the Rondevous Park. He doesn't have too much on this right now as his main focus is on the clock.

3. Jocelyn brought up Grey Cup Tickets. Peter Arnold made the motion that we sell these tickets again. Rick Rutter second it. There wasn't any discussion and was carried. Get ready to receive you tickets and sell, sell, sell.

4. I was at Perth, Ontario and attended one of their Rotary meetings. They just finished a Rib Block Party and were very successful with a nice profit (I don't remember how much that was, but it was substantial). Perth is no bigger than Vegreville and the town had a few other larger functions going on that weekend. This did not affect the outcome from this function.

Dates To Remember

TBA - Rondevous Park clean up

Oct 21-22 - District Fall Training at the Four Points Sheraton in Edmonton

Oct 23 - Stop Hunger Now event at the Edmonton Food Bank Warehouse

March 10-11 - District Spring Training

April 6-8 - District Conference in Westlock

June 10-14 - International conference in Atlanta, Georgia

Until next meeting August 30

Ann Waters

President 2016/2017
