The BUZZ for December 6 meeting

1. McKinnley Mackowecki was our guest today. She thanked us for sending her to Ottawa. She said the experience was a great one and she learned a lot. McKinnley's enthusiasm definitely makes us want to continue in this program. We are on a waiting list to send another student.
2. We inducted another member today. WELCOME Travis Sapara. You are a great addition to Rotary
3. **December 13** meeting will be a "bring your own brown bag lunch" for toy sorting with the Vegreville Christmas Bureau. We are scheduled 12-3. If you can only stay the hour - that is great. If you can stay longer - that is great too. Any help is appreciated. The Depot is at Galleria Mall. It is the door directly next (west) of The Brick.
4. Lobster Fest is confirmed for June 22. Mark this in your calendars. All hands on deck for this event
5. Taste of Bolivia will be February 4. Paula and Jody will be going over the menu. A few people will be needed in the kitchen for prep and serving on that day. There will be a max of 30 tickets available. This is a fundraiser for Paula.
5. Paula is quite the busy girl. She has attended A Christmas Carol with Dee and Collette. Has gone to more hockey games and got the fight on film. Friday she is going to Jasper to try her hand at snow boarding. Dec 26 she will be going to Kelowna with Collette's family. Lois mentioned that she is in indoor soccer in Sherwood Park. Paula is looking for a ride (there and back) on Sundays. If anyone can help out that would be great. If anyone has something happening that they would like to include Paula in, please call her. She leaves June 29 and that will be here before you know it. Paula can be reached at **587-280-4010**. Don't forget to drop off your empty cans and bottle at Peter's for a fundraiser for Paula. His address is 4833-47 Avenue.
6. Dee Palichuk will be representing us for the Family Day event set up. Thank you Dee
7. PolioPlus Oil Kings game is on January 22. The Oil Kings will again donate a significant portion of the ticket price back to District 5370's end Polio campaign. Hugh Ziprick made a motion that we purchase 50 tickets to sell and have a bus provided for this event. Lois Byers second the motion. All were in favour. Motion was carried. This is a great stocking stuffer.
8. Jody brought up the Cambodia sanitation project. The global grant for this project has been delayed. It has been agreed that we spend our allotted \$5000 on the project now so that the members going can see where our money is going. While our members are in Cambodia, they will see what the needs are and we will then decide if this is a country we want to continue to partner with. There is still room for anyone wanting to go on this trip in February

Next Meeting. We won't be having another "formal" meeting until January 3. This will be a business meeting to set up our executive for 2017/18. Please do not be shy to put your name forward for any of the positions.
