Dear Blake Rogerson,

1. **Canada 150 update-** They are gearing up for July 1st events. Wednesday February 15th at 5pm there is a Canada Day event planning meeting. April 11 7pm big planning meeting. Both of these will be held at the Sunshine Club, everyone is encouraged to attend.

Marielle advised they will be creating a community calendar that all Vegreville groups can add their Canada 150 events to.

2. **Bike & Skate Park-** Paul Suiter from the town has met with Veg Minor Soccer, VMSA has another site option for their playing fields, that could be in use by the 2018 season. They would no longer oppose Rotary pursuing the land at the Comp for development of our Park.

Our next step would be to continue communicating with EIPS regarding their support and making the land available to us.

Still lots of leg work ahead, but if VMSA is no longer opposing us pursuing that land, it is a huge hurdle we have overcome.

3. **Camrose RLI training-** Garth and Jocelyn attended the session January 28 Garth stated it was informative touching on all aspects of Rotary and recommends everyone to attend if possible.

4. **Paula Update -** Paula attended Zabava February 4th in Vegreville and really enjoyed the dancing and confirmed her love for Ukrainian food.

Sunday, her soccer team won a silver medal and Paula scored her first goal! Way to go Paula!!
