The BUZZ for January 24 meeting

1. NO MEETING JANUARY 31
2. We inducted Garth Svensen today. He was proposed by Jocelyn Svensen. Welcome Garth
3. Our guest speakers today were Megan Woloshyn, Theresa Bernardo and Ahmed from FCSS to give us an update on the Youth Making A Change program. 7 students are enrolled. They range from grades 10-12. They have been having some awesome team building field trips with one of them being a the Beaver Creek Ranch where they did crate stacking and zip lining. They were all encouraging each other to complete tasks. The in class presenters have been very helpful in enabling this program. Everything seems to be insightful and rewarding for the students. Our club is helping financially with this program and it seems that we made a wise decision to help FCSS with this.
4. The Oil Kings game raised over \$5000 and with the matching contributors this will end up being around \$28,000 to help end polio. Even though the Oil Kings lost, all that went had a great time.
5. Olena Hartsula contacted me regarding our mural at the Rendevous Park. She is asking if she can use it in a Calendar that her group is putting together to commemorate the 125th anniversary of Ukrainian migration to Canada. They will provide us with a calendar once the project is complete. We all agreed that this would be fine and Jocelyn Hryniw will be sending her some info on the mural
6. Paula gave us a bit of an update. She has been busy as usual. She attended and Oilers game on Friday with Blake and the Oil Kings game on Sunday with Sheila. Paula is fundraising for her SEVEC trip in April. The fundraiser is a spaghetti supper on March 16. If you would like to attend you can contact Paula for tickets 587-280-4010. Don't forget, Peter is still collecting empty cans and bottles to help Paula out.
7. Renee mentioned that Dean Rohis will be our Rotary International Vice President in the near future
8. We have had sign up sheets on the wall at VALID for various committees within our club. For those of you who have not had a chance to put your name down, I have attached it to this email. Let me know what committee interests you and I will be sure to put your name down.

Our next meeting will be February 7 where we will be having the Rotary Peace Park AGM
