Great, great presentation from Jesse on his RYPEN camp. He hopes to go back as a leader next year. We need to make 100% sure we send kids to this every year!

Larry Ruptash presented on the sponsorship initiative for new seats in arena. They are selling sponsorship for \$100 a seat and a name plaque will be put on the back on the chair with the sponsor's name. This is a one time cost. Tax deductible receipt if an individual makes a donation to the Town for this. We had some discussion about our current focus being the bike and skate park so how/should this fit in. A number of Rotarians are interested in sponsoring a seat and an idea was discussed that perhaps that if Rotarians personally making a donation perhaps their plaque could say, for example

Lobsterfest details were discussed. Please make sure you read the job board I sent out yesterday in a separate email. Food prep today at 1pm at VALID. Set up tomorrow at 9am at the social center.

100 People Who Care event is happening June 23 (application & event info attached). Need to submit your application by June 20 and take your \$100 cheque to the event. On the application you put the charity you nominate a charity. From the nominated charities, 3 are drawn to give a presentation at the event; then those donating the \$100 vote and the charity with the most votes receives all the cheques. Application is attached, hopefully Rotary will be chosen and win \$\$ for the bike and skate park - please consider signing up. Even if Rotary doesn't win you are donating \$100 to a worthy charity in Vegreville & area.

Rotary will apply to be one of the groups chosen to sell 50/50 tickets at vEGGfest. Will need at least 6 volunteers for August 26 or 27 from 5pm-2am. Volunteers will be selling tickets and help clean up the grounds after the event. Must be 18 or older and able to walk the grounds and some physical labour. Proceeds are split between the 4 groups (each group got \$2500 last year).

Vegreville Preschool asking for a donation for a SMART table. Rotary did support them with a reduction in the Peace Park rental. Will go to the executive meeting to review with budget.
