The BUZZ from September 27 meeting

1. Derek Christensen from KidSport joined us today as our Guest Speaker. He had a donation request as KidSport has more applicants this year and their funding is quite low. KidSport provides financial support up to \$300 per child per calendar year to children in the Town of Vegreville and County of Minburn to those who otherwise would not be able to join in extra curricular activities.

Peter Arnold made a motion to sponsor 2 children for \$600.00. Lois Byers second it. Discussion was to get more info on how many are registered this year compared to last year. To ask how we can assist in fundraising efforts for KidSport. The motion was carried

2. Paula gave us an update of her week. She would like to learn English a little better and Veg Min has offered to help her with this free of charge. Paula would like to join the soccer team. This would cost \$220 of which she is asking us to pay for half. This will be covered from what is our budget for her. Paula would also like to go on the school SEVEC exchange. She is fundraising for this by taking orders for chocolates and meat. Lois sent out an email with the order form but you can also contact Paula for one. **If any one has an event that they would like to include Paula in, she can be reached at 587-280-4010.** Any experience for her here would be a great one.

3. **Rotary Peace Park clean up Tuesday October 11.** 15 Interactors will be coming to help us. Because of this we will not have a noon meeting. The clean up will start at 4:00 for the clean up with a meeting and food to follow.

4. 3 Interactors are wanting to go to RYLA on October 22. The cost is \$150 per student and we are being asked if our club would cover them. Rhonda Manz made a motion that we cover half of the cost. Peter Arnold second it. The motion was carried.

5. **Food Bank Challenge.** For those that forgot to bring an item this week are urged to bring two items for the next meeting. We will continue this until October 18. **ROTARY - SERVING HUMANITY**
