The BUZZ from September 6 meeting

We almost have Skype figured out. Kit was able to join us eventhough she wasn't able to see us and we couldn't see her. We're getting there.

Matt, the new manager of the Toronto Dominion, joined us today as Jody's guest. Thinking we may be seeing more of him

1. Paula has arrived safe and sound. She didn't attend this meeting as it was her first day of school. Hopefully she will be able to join us next week. Soooo exciting
2. I had a short message played from our President, John Germ as to why he chose the theme of ROTYAR - SERVING HUMANITY. We all help others in one way or another. Be it serving hot dogs at a school function or helping with a sanitation project in another country, we are all Serving Humanity.
3. September is New Generation month. We are active in this already with being involved with our Interact Club, with our Junior Leadership Program and with our inbound Paula. Hopefully towards the end of this month we can have our Interact Club join us at one of our meetings and I am sure Paula will be coming in as well.
4. We have two seats left at the arena in our block. Snatch them up before they are gone. You can contact Dan for this.
5. ONE Canada Leadership summit application deadline is fast approaching. Here is the link for anyone interested in becoming an advocate to help push politicians to end poverty <http://bit.ly/2bgmY3Z>!
6. Rendezvous Park clean up update. I have submitted a letter to the town requesting a donation of bark for the landscaping. Will see what they can supply us. I also put in a request with Home Hardware for the same. I changed this request to weed killer (roundup) as we are hoping the town will supply the bark. Home Hardware supplied us with enough roundup to do 4400 sq'. Clean up is Sept 19 at 5:30. Pizza to follow
7. Renee updated us on Julian. 2 weeks have gone by already. He is feeling a little homesick but is liking his host family. They have two boys ages 16 & 14. He has made some new friends in school and is going on a History Field Trip
8. Jody updated us on the Cambodia Water project. Jody, Jocelyn H and Dee are going to meet with Darrell White on Saturday Sept 10 to go over the details of the trip. Anyone else that is thinking of going is welcome to join them.
9. Renee went over our Financial Statement. Dan made a motion to pass the Financial Statement. Rick second it. Carried by our membership
