Delivering Water Filters

The first of many water filter deliveries

Chance and Lionel loading

Each unit approximately 300 pounds

Six at a time for delivery

Heavy work

A job for everyone

A responsible Rotarian drives

Delivering

A little help from our friends

Setting up water filter

Alabina trained in set up

Almost done

In total we delivered 18 water filters

Another delivery

What number was that?

Another one

Everyone helps

Be careful

Not to drop

Another house

Another filter

Chance getting water

For our water filter system this is the water we drank

Having lunch

Our safe to drink filtered water

Life is not measured by the number
of breaths we take

But by the moments that take our
breath away . . .
