### **NEW: Corporate Memberships with the Rotary Club of Cornwall Sunrise!**

The Rotary Club of Cornwall Sunrise invites you to participate in a new opportunity for club membership. Corporate memberships give local businesses, nonprofits, government entities, and corporations the chance to give back to the community while developing their employees' personal and professional skills through Rotary.

A corporate membership will allow your employees the chance to learn about the needs of their community so they can serve it well; while experiencing the personal satisfaction of knowing they're helping others.

Your employees will enjoy the flexibility of our corporate membership, which is more affordable and requires a smaller time commitment. Membership in Rotary provides employees invaluable opportunities for taking on leadership roles while providing networking opportunities, mentoring and connecting with our weekly community guest speakers. By offering the perk of Rotary membership, you show young employees that your business cares about their personal and professional growth.

### **How does a Rotary club corporate memberships work?**

As many as four employees can join together as members of Rotary. One will be considered the "primary member" (registered with Rotary International), while the other three will act as "alternates" with the option of attending club meetings and projects either for themselves or on behalf of the primary member. The organization will pay dues (\$400 per year) and the organization will be listed as Corporate member of the Rotary Club of Cornwall Sunrise.

Here are some other advantages of corporate membership:

- **Flexible schedule.** Any of the members who joined together can attend a meeting — or all are welcome at the same meeting — adding tremendous flexibility and reducing the time commitment of any one member.
- **Cost savings.** The price of membership is a fraction of the cost compared to each employee paying the full membership dues.
- **Community awareness.** Employees can meet and socialize with other community leaders in the club, expanding their understanding of the community's needs and wants, and get an insight into how businesses are addressing common concerns.
- **Global connections.** Members of Rotary have instant access to our global network of 1.2 million members in 35,000 clubs around the world. Wherever you're traveling, there's likely a Rotary club with local business and community leaders who will welcome you.
- **Networking opportunities.** Through Rotary, business leaders can make important contacts that can result in profitable business ventures in the future.

- **Commitment to service.** Employees recognize and appreciate the company's commitment to serving others.
- **Personal satisfaction.** Members experience the gratification of knowing that they are helping people who may not have the means to help themselves.
- **Sponsorship Priority.** Corporate members are offered club sponsorships opportunities first for club fundraisers, activities, website ads, etc.

The Rotary Club of Cornwall Sunrise meets at the Best Western Parkway Inn in Cornwall, Ontario every Wednesday (mornings at 7:00 am or evenings at 7:00pm). Join us as our guest to see if an individual or corporate membership is right for you and your organization.

Yours in Rotary,

Martin Nadon  
Membership Chair
