

**Rotary Mums for Thanksgiving** is the Rotary Club of Cornwall Sunrise's largest and longest-running fundraiser, now in its 37th year. Funds raised support important local projects and services, including the the Children's Christmas Fund, Cornwall Community Hospital, and assorted youth and wellness programs.

Cornwall Sunrise Rotary is offering **florist-quality 6-inch chrysanthemums for \$15 each**, with **free delivery** throughout Cornwall, Akwesasne, and SD&G before Thanksgiving. The plants make excellent seasonal gifts and decorations for homes, offices, and businesses.

This fundraiser is a true community effort, involving Rotary members, family, and friends who help deliver the flowers and spread Thanksgiving cheer. We greatly appreciate local businesses that purchase 'mums for clients and staff.

To date this fundraiser has generated more than \$390.000 for projects that benefit Cornwall and area.

Orders can be placed online, by email, Facebook, or through any Sunrise Rotarian. Every purchase helps Rotary continue making a positive impact in the community. □
