

CONFERRED UPON LYNNE FRASER, June 25th, 2024.

This honoree, since joining our club has been like a whirlwind. She served on the Board of Directors for 2 years.

As Co-Chair of the Social and Recreation Committee she has assisted in organizing all our social outings which not only provide entertainment but also help our members to stay connected on a more personal level.

In supporting our Rotary Cash Calendar Fundraiser, Lynne prints the letters for all the winners, matching with cheques then mailing them each month.

For our Mums for Thanksgiving Fundraiser, she and husband Graeme are “keen” deliverers of the plants.

As part of the Ottawa Reads Program, Lynne reads to students and as well provides extra assistance to three students studying French.

As a member of the Program Committee, she acts as Administrator/Coordinator for all the Classification talks. This in turn introduces us into the life of each of our new members.

At warehouse distribution night for Dictionary4Life books, Lynne is the parking lot gate keeper who ensures that clubs sign off for their books. Following that, she is a curbside drop off expert and has been an in-person presentation volunteer over the several years.

Outside of Rotary, Lynne is very active in her church. She is the Team captain who assigns ushers their duties, helps with the yearly Rummage Sale and steps forward to help with anything else that needs doing.

Lynne Fraser, you exemplify Rotary’s motto of “Service Above Self”.

Please come forward to accept your Paul Harris Fellow Award.
