

## Testimonials

The Rotary Mums for Thanksgiving Fundraiser has been going for over 20 years. The ongoing success is due to repeat customers.

Below are some of their comments received over the years

- I have a tradition to go away on the last weekend of September every year. One of the best parts of my weekend away is coming back to check my messages on the Sunday to find my inbox full with messages from clients thanking me for their Fall mums. The volunteers at the Rotary club take great care in the delivery and all the details, my clients love their beautiful fall mums and we all feel great about supporting local charity – a triple win!
- I am very grateful to the Rotary Club and its hard-working volunteers for organizing the Mums campaign. For me and my business, it's a win-win-win. I get to provide beautiful flowers to my clients. My clients receive a beautiful pot of mums for Thanksgiving. And the Rotary Club is able to fund important projects in the Ottawa region. I highly recommend the program to any business that is looking for a 5-star client appreciation initiative.
- Dave and I want you to know that our club values the partnership for selling and delivering chrysanthemums highly. It gives our club a good portion of its funding for service projects each year. [Rotary Club of Ottawa-Stittsville]
- Thanks again, our clients look forward to this campaign each year.
- The Mums purchaser thanked us for continuing with this program AND received much positive feedback from their recipients.
- Very happy to see this fundraiser returning this year. It's truly a wonderful event!
- Have a great day and wishing you all the best in this fundraising campaign.
- We're all paid up so that we won't miss out on the delivery of the plants....our clients LOVE them!
- The team of White Private Wealth Management of RBC Dominion Securities is proud to support and endorse the Mums campaign each and every year. This has been a time honored tradition with our team, first started with our former colleague Brian Langill, who was a long standing and proud member of the Ottawa West Rotary Club. Brian's example of giving back and expressing gratitude to all of our clients with this special gift, will continue to be carried on for as long as the Mums campaign is running.

The receipt of this fall mum is very much appreciated by our clients, and they look forward to the delivery each year. Thank you to the Ottawa West Rotary Club and all the volunteers who make this such a great success each and every year! Sincerely, Peter White and Team
